14 HURT IN HOTEL GAS BLAST

FIVE STAR EXPLOSION: Scene at swanky hotel

AT least 14 people were injured in a suspected gas explosion at a luxury hotel in central London.

The five-star Hyatt Regency London – The Churchill, in Portman Square, Marylebone, was evacuated following the blast shortly before midnight on Friday.

Five of the injured were taken to hospital, including two with leg wounds, and another nine people were treated at the scene.

London Fire Brigade said the explosion happened in the hotel's basement and caused part of the building to collapse.

About 80 firefighters were at the scene, including appliances with specialist equipment to deal with collapsed buildings, and around 500 people were evacuated.

MPs TELL CAM: PUSH FOR BRIT EU EXIT

THIS WEEK'S NIPPLE COUNT 85

EUROSCEPTIC Tory MPs are pressing David Cameron to toughen his position on the EU and immigration in order to piss on UKIP's chips.

The Prime Minister has already promised to set out more details of his proposal to negotiate looser ties with Brussels.

But he could "take the legs" out of Nigel Farage's party by campaigning for an 'out' vote in a referendum on EU membership if he fails to claw back significant powers, say MPs.

Top figures including former Cabinet minister Owen Paterson are expected to call in the next few days for Mr Cameron to make clear he would be prepared to recommend leaving the union if he cannot alter our relationship with Europe.

One Eurosceptic MP, Andrew Bridgen, said: "If we don't get a satisfactory result for this country, he should say he'll recommend an out vote at the referendum and lead it. I think that will take the legs from under UKIP.

"He will renegotiate hard for us to stay in the European Union on our own terms, but if we don't get our 'red lines', control of our borders, control of immigration, and our justice system back, then he should recommend to the British people at the referendum an out vote."

Mr Cameron, who has pledged to hold an in/out referendum on our EU membership by 2017 if he wins the next election, will set out plans to limit the number of European migrants joining the workforce in his speech, sources say.

TODAY'S WEATHER

THOSE with small cocks, look away now.

Because as a big chill sweeps into Britain this week, you may end up having to go for a piss with a pair of tweezers.

Sunday will see the south sopping wet, while the north will be much drier and sunnier.

And while the rain will disappear by Monday, it'll be replaced by Baltic conditions, with temps almost down to freezing in London come Monday night. Then Wednesday will see a return of the damp weather.

OUTLOOK: Very wet and turning as cold as an eskimo's nuts.

Madonna sees her arse over nip pic ban

FUMING Madonna has slammed Instagram bosses, telling the photo-sharing site: "Let me show off my BOOBS!"

The singer is angry that Kim Kardashian was able to upload a shot of her bare ARSE last week.

But nipples and breasts are BANNED on Instagram.

Exposing the cheeky double standard, Madge, 56, said: "It's confusing. Nipples are considered forbidden and provocative but exposing your ass is not. #flummoxed."

Kim's bum exposure came as she posed nude for *Paper* magazine.

Meanwhile *Ray of Light* star Madonna has never been shy about getting her baps out, having famously starred in a simulated BUM FUN scene with Willem Dafoe in 1993 erotic thriller *Body of Evidence*.

Kasabian sorry for 'London c**ts' gaffe

OUTSPOKEN rockers Kasabian might not be welcome back in the capital after branding Londoners "C*NTS".

The Leicester-based band flashed up stage banners on a screen behind them while performing in Glasgow.

And one read, "London is full of c*nts".

Guitarist Serge Pizzorno (*below*) later blamed members of his crew for the embarrassing gaffe.

The 33-year-old said: "The production team fked up. There were supposed to be photos of mundane objects in that section but instead I turned around in the middle of one track and couldn't believe my eyes.**

"We were all shocked – and certainly didn't mean to offend anyone."

Some fans weren't happy with the slur, with one posting on Twitter: "Branding London full of c*nts, yet happily play 5 nights at Brixton for 40 quid."

Nirvana duo's Love of boobs

FEUDING rock stars Courtney Love and Dave Grohl have buried the hatchet – after bonding over BOOBS!

The pair fell out after the demise of Grohl's old band Nirvana, when Love – the wife of late frontman Kurt Cobain – tried to take control of the band's back catalogue of tunes.

But Love, 50, says she and Foo Fighters star Dave, 45, are pals again because of their mutual appreciations of knockers.

She said: "We hugged it out, and it was all good.

"We used to really like each other, then there were 20 years where we sued each other, and then we stopped.

"The other night we just started talking about this one actress' boobs, and we'd both seen them."

SIR Bob Geldof unleashes a pair of "bollocks" on live television.

The crooning do-gooder was promoting the latest Band Aid single on Sky News when he used the coarse word twice.

Well, he did warn us he doesn't like Mondays. In fact, they make him feel quite teste.

He needs to wash his mouth out with soap and water. And if he goes to help Ebola victims in person, he needs to wash EVERYTHING with bleach.

TUESDAY

EX-pop star Myleene Klass attacks Labour leader Ed Miliband over his plans for a so-called mansion tax.

Ed doesn't seem to like Myleene very much. As a product of reality television, he believes she is only famous as a result of a dodgy voting process.

And that's his job.

WEDNESDAY

A CREEPY Yank pick-up artist is barred from entering the UK over fears that he could encourage sex pests.

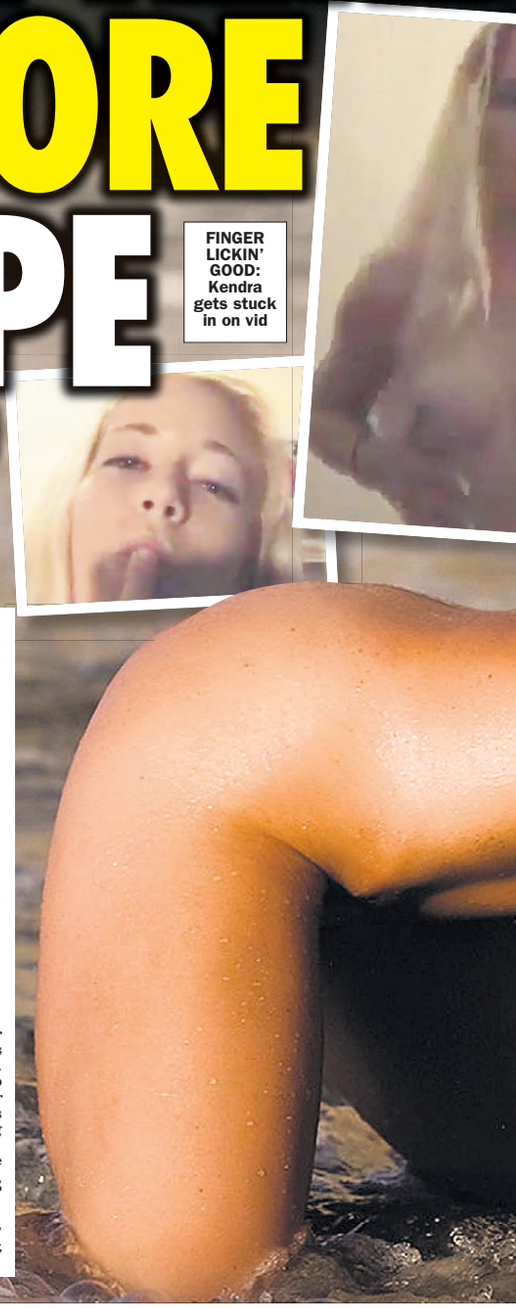
JUNGLE KEND HARDCORE SEX TAPE SECRET



FINGER LICKIN' GOOD: Kendra gets stuck in on vid

By MATT FORREST
matt@sundaysport.co.uk

CURVY Kendra Wilkinson's appearance on *I'm A Celebrity...Get Me Out Of Here!* has seen the number of hits on her kinky online SEX TAPE rocket.

Thousands of fellas up and down the country took to Google to find out more about the blonde babe – and discovered dozens of links to her naughty performance!

The highly explicit, 26-minute long video – made when she was just 18 with her then boyfriend Justin Frye – leaves NOTHING to the imagination.

Kendra, now 29, can be seen feverishly fiddling with herself, gleefully W**KING and SUCKING her ex's chopper, and riding him to an explosive climax.

But the Playboy model, once a girlfriend of Hugh Hefner, now says she's ASHAMED of the tape.

She said: "It's extremely embarrassing. I am a very open person, I am very honest about myself, but a sex tape was definitely not what I wanted in my life. It wasn't for anyone else's eyes."

Despite her condemnation, it's reported Kendra, from San Diego, California, received over £400,000 and 50 per cent of profits from the film on its 2010 release.

JUNGLE HONEY: Kendra's set to get steamy

The married stunna – who also who starred in *The Girl Next Door* for Playboy's E! channel – seems set to send temperatures soaring Down Under.

She said: "I want some eye candy. I want some jungle fever, do you know what I am saying? Wink, wink!

"If I have to do all these drills, I would want a good looking guy. I'd like a hot guy to motivate me."

LOOK OUT! JIMMY'S A SHOE SHITTER

CAMPMATES had better watch where they tread in the snake-infested jungle camp... because prankster Jimmy Bullard might take a SHIT in their SHOE!

The former England midfielder is known for his love of practical jokes.

And he says he and his old Wigan Athletic teammates used to DUMP in each other's footwear.

The 36-year-old, who is being tipped to win *I'm a Celebrity...Get Me Out Of Here!*, admitted: "You might think it sounds a bit shit, but when someone rubs Ralgex on their face thinking it's moisturiser or brushes their teeth with the stuff thinking that it's toothpaste, it's really funny.

"I remember once, someone had a shit in my shoe and I put my foot right into it. Disgusting I know, but that stuff does go on, and I did it too.

Crazy

"At Wigan, we had a great team spirit and we were a bit of a Crazy Gang.

"I wouldn't say we were exactly like that Wimbledon side because they were unique, but we were definitely together and always had a laugh.

"Lads like Alan Mahon, Lee McCulloch, Gary Teale and then Nicky Eaden and Ian Breckin were always up to stuff.

"There were plenty of wrong 'uns like me."

JOY OF EX: stunna and her then fella don't hold back

THE CAMP was rocked by a series of evil SMELLS yesterday.

The personal hygiene of Jake Quickenden, 26, was really getting up folks' nostrils.

After he unleashed a noxious bottom burp, he apologised: "Sorry it just crept out, better out than in!"

Kendra Wilkinson wasn't happy, telling him: "Something is rotting in your arse."

But Kendra herself STINKS, according to Jimmy White. He slammed: "She smells like a feral dog. I've not known men to like that."

The mood was only lightened when Irish pin-up Nadia Forde stripped down to her bra. Jake told her: "Gosh, you're not shy, are you?"

SHE may not be stripping off or hooking up – but telly babe Mel Sykes will almost certainly be LETTING RIP in the jungle!

The sexy presenter revealed she used to record the sound of her own FARTS!

Mel, 44, made the stinky confession during an appearance on Radio 2 programme *Going Out With Alan Carr*.

She said: "When me and my sisters were younger we used to tape our trumps. We really did. We literally had tapes of us breaking wind. We didn't have toys to play with!"

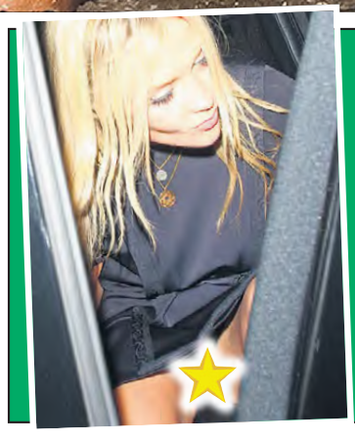
STARTLED celebs were scurrying for cover yesterday after a PYTHON slithered into the camp.

Fortunately for the contestants, the yellow and black jungle carpet python that made its way under their hammocks is not venomous.

But that didn't stop rapper Tinchy Stryder, 28, shitting his pants as he spilled his rice and beans dinner in his lap.

One set source said: "There are plenty of deadly snakes in the Australian jungle, but thankfully this beast didn't pose much of a threat.

"The critters must try harder next time."



JOE'S GASH FLASH SHOCKER

RED-FACED telly host Laura Whitmore was left stunned after co-star Joe Swash blurted-out that he could see her MINGE!

Stunning Irish model and presenter Laura, 29, had an unfortunate wardrobe malfunction when she flashed her knickers on an episode of *I'm a Celebrity...Get Me Out of Here! NOW!* on ITV2 last week.

And former *EastEnders* actor Joe, 32, promptly told her: "Shut them legs Laura, I've just seen what you had for breakfast."

Laughing at the brazen outburst, Laura (*right*), from Bray, Ireland, denied letting her clunge hang loose, shrieking: "I'm wearing knickers!"

Genitals

According to leading grot definer, *urban dictionary.com*, the saying' I've just seen what you had for breakfast'... "*Refers to when a woman is wearing a small skirt, sitting or standing and you can see the woman's genitals.*"

After the shocking moment Joe tried to continue with the show, talking about how the next challenge was "going to be scary."

But funnyman Rob Beckett (*centre, right*) – who hosts the show with Laura and Joe – wouldn't let it lie, saying: "What are we talking about here Joe?"

THE ONLY WAY IS NAKED: A wannabe grumble star gets ready to show Gemma her talents

By JUSTIN DUNN
justin@sundaysport.co.uk

***I'M A Celeb* quitter Gemma Collins may not have liked being confined in the jungle – but she has no such problem with DARK HOLES!**

The *TOWIE* star played judge at a Porn Idol competition – which involved her peering at a succession of ladyparts as naked wannabe grumble stars bent over in front of her.

Gemma, 33, blushed throughout the event at the G.A.Y. nightclub in 2012 – but couldn't look away.

Bumhole

One eyewitness said: "She was giggling a bit, but I didn't see her avert her gaze at any point.

"She was sat there with the other two judges and when the girls pulled their knickers down and bent over, she got an eyeful of fanny and bumhole!

"If she can come through a night like that, you do have to wonder what on earth it was in the jungle she found so upsetting."

Viewers saw Gemma quit on Wednesday night, saying she "can't take it no more".

Edwina's sticky bed sex secret

SPICY AFFAIR: Major & Currie

SPICY MP Edwina Currie is hiding an explicit hardcore SEX secret!

The Tory brunette might not look like she's going to add spice to ITV's *I'm a Celebrity... Get Me Out Of Here!* – which she joined last week – but she's actually pure sauce!

The author's steamy novel *A Parliamentary Affair* reads like soft porn, complete with banana nookie, erect nipples and damp bed sheets!

By NEIL GOODWIN
neil@sundaysport.co.uk

The 1994 book is thought to document her four-year affair with Prime Minister John Major, a scandal made public in 2002.

She writes: "This time their lovemaking was lingering and thorough. She extended it as long as possible knowing it might be weeks or months before another opportunity occurred.

"Their breathing, panting and laboured, disturbed the silence. The bed was warm... and STICKY!"

At the time of writing it Edwina was married to Ray Currie, before the pair divorced in 1997.

She later admitted that Major had been the "love of her life".

Labour Alan's bacon fun of his boss Ed!

FORMER Labour Cabinet minister Alan Johnson has poked fun at leader Ed Miliband's inability to eat a bacon sandwich.

Johnson – who served as Health Secretary, Education Secretary and Home Secretary in the Blair and Brown governments – is tipped as a future PM.

The 54-year-old (*above*) has repeatedly stated he will not stand for leader of the Labour Party but that has not stopped Westminster whispers.

Appearing as a guest on BBC1's *Have I Got News For You*, former postman Johnson was paired with comic Paul Merton.

During a sequence featuring Ed Miliband, host David Mitchell said to Johnson: "Your leadership challenge has been a massive headache for him…"

And to laughter from the audience, Johnson replied: "I believe someone saw me eating as bacon sandwich and thought 'He can do that really well'."

Miliband famously cannot eat a sarnie without looking a twat (*below*).

BRITAIN'S MOST TERRIFYING SANTA

WOULD YOU LET YOUR CHILD SIT ON THIS MAN'S KNEE?

A CLEAR AND PRESENT DANGER: Arnold in his Father Christmas costume

FELINE ROUGH: Rumours have it that Arnold is a cat botherer

GROWLING "Ho-Ho-Ho!" and juddering with good cheer, this Father Christmas (*left*) looks the epitome of festive fun.

And with the seasonal retail rush now gathering pace, hundreds of kiddies are clamouring to sit on Santa's lap at Goodwin's department store in Whitchurch, Shropshire.

But underneath the bright red costume and the acrylic whiskers, the real man behind the image is far less wholesome.

For the chap filling the suit at Goodwin's for the past five years has been wretched Arnold Forbes: drunkard and – if local gossip is to be believed – cat pervert.

By SIMON DEAN
simon@sundaysport.co.uk

Confused

For 10 months of the year, Forbes is a semi-permanent fixture in the historic market town's Jubilee Park, where he slurps shite cider and occasionally yelps at starlings.

But each November Forbes washes off his filth and becomes, in his own puddled mind, Father Christmas.

He told a local newspaper, in a rather confused interview last year: "Christmas. It's for the kiddies, isn't it? There's nothing like seeing the joy in their little eyes. Joy, yes. Christmas… it's for the kiddies, isn't it?"

It's the allegations of cat molestation, though, that have caused the most disquiet on the smart streets of Whitchurch.

The claims – it has to be emphasised – have not been verified and are, at best, vague.

But one local dad said: "It's well known that man touches cats. He touches cats in a way that a man should not touch a cat.

"My kids are not going nowhere near him."

Sunday Sport confronted Forbes at his tatty bedsit and asked about his suitability as a Santa Claus. The 54-year-old wailed: "Leave me alone. I'm unwell today. And I never touched the cats. Not in that way…", before slamming the door shut.

The general manager of Goodwin's, Sebastian Grant, said: "Arnold has been an excellent in-store Father Christmas for the past five years.

Cats

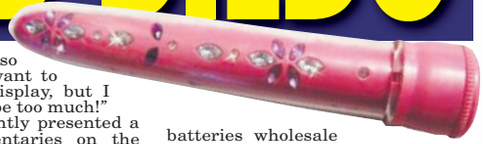
"There was an odour issue in 2011, but that was resolved internally.

"Arnold has been though a full criminal records check and it has come back clean.

"Arnold does like a drink, yes. But he has not dropped a child yet.

"We believe that the story about the cats was put about maliciously by a former Father Christmas."

JODIE: I'VE GOT A DIAMOND DILDO



SPARKLING Jodie Marsh loves a bit of bling near her RING – as she's got a diamond-encrusted DILDO!

The Essex girl has always favoured the finer things in life.

And even Jodie's sex toys have to be from the top drawer.

The 35-year-old beauty, who sports massive 30G boobs, revealed: "What's the sexiest thing I own?

"Probably a diamond-encrusted dildo! The diamonds are under a layer of clear, smooth material so it's not jagged.

"It's not the biggest – that would get far too expensive – but I saw it and bought it myself.

"It's almost so awesome that I want to leave it out on display, but I think that would be too much!"

Jodie, who recently presented a series of documentaries on the TLC channel, is also particular when it comes to her sex partners.

The babe, who claims not to have had a jump for FOUR years, admitted: "I'm absolutely a nymphomaniac – my standards are just scrupulously high!

"That's why I've been celibate for so long.

"But I have lots of toys and tricks to get through any lust – I buy batteries wholesale these days! I do end up at Costco and just buy them by the trolley-load.

"What am I like in bed? Absolutely unstoppable. When I find the right person, the person who really gets me, I am going to be having sex all day, every day.

"I'm a nympho – I'm just waiting for that one guy."

Form an orderly queue, fellas!

Former banker's genitals shame

A RETIRED bank manager turned handyman is facing jail after exposing himself to women while carrying out work at their homes.

Robert Griffiths, 63, showed his genitals to two middle-aged customers who live alone, a court heard.

The married grandfather claimed he was unaware he had exposed himself and blamed it on a "wardrobe malfunction".

He also blamed a "stupid lack of self awareness" and apologised for any distress caused.

Griffiths, of Ivybridge, Devon, had denied four charges of indecent exposure in and around the town in April and June last year, but a jury convicted him on all counts.

The judge adjourned sentence until next month for reports.

SUNDAY Sport
THE VOICE OF YOUR BRITAIN

Thorn in Ed's side

OCCASIONALLY, Sunday Sport is reminded of the huge power this newspaper wields – and the vast responsibility that entails.

Minutes after Labour front bencher Emily Thornberry tweeted a disparaging remark about "White Van Man" during the Rochester by-election, our social media team compared her online to insufferable TV snob Hyacinth Bucket.

The well-aimed barb caught the imagination of political commentators across the country.

And hours later Thornberry quit.

Experts agree that Sunday Sport's "Hyacinth Tweet" made Thornberry's position as shadow attorney general untenable.

We take no pleasure in helping force Emily Thornberry from her post on

Labour's front bench.

It would be sad if she gave up politics and was forced to scratch a living once more as a high-flying human rights lawyer.

But it is unacceptable for a tribune of the people – especially a representative of the Labour Party – to adopt such a superior attitude to the English working man.

There was a time when Labour MPs arriving at the Commons needed to be deloused and scrubbed clean of industrial grime.

Now they arrive at Westminster aloof. They have become perfumed dandies with polished fingernails and a taste for dainties and sweetmeats.

They would be overcome by hot flushes if they came face-to-face with the horny-handed heroes of the labour movement: Watt Tyler's rebellious peasants, the Tolpuddle Martyrs, Mr Jim Royle.

Mr Ed Miliband must reconnect his party with the sweat and toil of the working man in this nation.

If not, he faces defeat at the polls with rough guffaws and earthy curses of disdain ringing in his powdered ears.

ROOM WITH A PHEW: Rae rates the hotel as she enjoys her room and local fare

FINE TIME: Bad review could have cost couple £100, but Rae says she's stayed in worse places

AT BLACKPOOL REVIEW ROW HOTEL

BREAST-FEST!

By NEIL GOODWIN
news@sundaysport.co.uk

YOU wouldn't complain about this notorious hotel if you found a TOPLESS babe sprawled in your BED!

The budget Broadway in Blackpool came under fire last week after FINING a disgruntled couple £100 for writing a crap review about it on the TripAdvisor travel website.

Irate punters Tony Jenkinson and wife Jan from Whitehaven, Cumbria, had described the gaff – located on the resort's South Shore – as a "FILTHY, DIRTY ROTTEN STINKING HOVEL RUN BY MUPPETS!"

But *Sunday Sport* added at least another two stars to the three-star getaway after sending stunning pin-up Rae there to sample the Broadway's delights.

And our Rae, a 23-year-old with stonking 30E boobs, LOVED the place.

The Manchester beauty told us: "I thought the Broadway was brilliant. There's a fab chippy just round the corner and the bed was nice and creaky – fabulous for when you want to make a real racket when bonking!

"My double room, which cost £35 quid, had a great view of the Pleasure Beach – I could easily flash my boobs at the people on the Big One rollercoaster.

"The shower was powerful enough to unleash a good spurt of warm liquid all over my bare breasts, which is nice.

"And the breakfast in the morning was excellent – two sausages, two eggs, bacon, beans, a hash brown, fresh toast, and a hunk refilling my tea.

"I've stayed in much worse places, that's for sure. This is exactly the sort of hotel I'd stay in on a hen do."

The Broadway's owners have since issued a refund to the Jenkinsons after Trading Standards got involved.

They've also got rid of their "£100 for a bad review fine" condition.

'Fingering' lesbian is spared jail

A LESBIAN who tried to coax a woman friend into bed and then throttled and fingered her when she refused has been spared jail.

Jesamine Hearsum, 32, who at one stage stripped naked, held the woman prisoner in her home for over an hour and threatened her with a knife, Gloucester Crown Court was told.

She had drunk three cans of lager that evening and another pint when she went to a pub with the victim.

Back at Hearsum's home she "pushed her hand inside the victim's trousers and knickers. It is described as slight penetration of the vagina with two fingers."

Hearsum, of Stroud, Glos, admitted falsely imprisoning the woman on July 29 this year and sexually assaulting her by penetrating her vagina with her finger.

She was handed two years' prison suspended for two years.

Plant pot lifter slams into bus

A DRUNK who stole a plant pot was caught after he ran into the side of a BUS.

Anthony Tumilty, 42, entered a housing office in Sunderland and asked staff there if he could use the toilet, but when told it wasn't for the public, he picked up a plant pot and legged it.

He later dropped the pot when he ran into the side of a bus.

Tumilty also stole jeans worth £360 from a clothes shop in The Bridges shopping centre.

Tumilty, of Thorney Close, admitted two charges of theft in September and October when he appeared in front of magistrates in Sunderland.

He was handed a 12-month supervision order, must attend a recovery programme and was ordered to pay £100 compensation to the clothes store.

AS BABES BICKER OVER RAUNCHY

UPSKIRT

KIM had a raunchy upskirt taken of her while filming telly show *Project Runway* in June 2011, with fans getting a glimpse of her white knickers while she sat on a director's chair in between takes.

That came as Katie clambered into a taxi after leaving the Embassy nightclub in London, giving a full view off her impressive rear end.

SINCE Kim's latest pics hit the web, her sex tape has become the highest selling grot flick of all time.

Showing the brown-eyed babe shagging rapper Ray J back in 2003, Kim's tape propelled her to the big time when it was released by grumble company Vivid in 2007.

In a 1999, Katie was seen being pleasured with a vibrator, erect Johnson, and even her fella's BIG TOE in this amateur grumble movie.

fitzy@sundaysport.co.uk

IN the red corner we've a topless model who starred in an X-rated sex tape.

And in the blue corner we've got...ANOTHER topless model who filmed an X-rated sex tape!

But as Katie Price and Kim Kardashian square-up for the mother of all catfights today, we find an answer to the week's burning question – who'd win an oiled-up Battle of the BOOBS!?

American beauty Kim, 33, delighted fans across the world when she posed STARKERS for a swanky magazine last week.

Our own Katie, 36, wasn't happy about the glorious display of flesh, urging Kim to keep her clothes on. Katie – aka 32D pin-up Jordan – moaned: "It wasn't really an attractive pose and I think it was the wrong kind of magazine for her to have done that in.

"When I saw these pictures my reaction was like everyone else, like – oh my God. It wasn't just she's got a bit of flesh out, it's like she's got it all out. It looks like she's got sore nipples as well."

Reports close to Kim's camp say she's fuming that Katie would judge her, branding the former party girl "jealous".

And as the beauties look to settle their scores, we've already sorted the dispute for them...

BUM

KATIE gave intrepid snappas more than they bargained for when she flashed her bottom way back in 1997, revealing her cheeks on a night out with pals near the beginning of her glamour career.

Kim has been known for her larger-than-life booty for years now, and fans weren't disappointed with her latest *Paper* magazine shoot which showcased her oiled-up derriere.

WINNER: Kim

BOOBS

KIM is most definitely girl of the moment, having her undoubtedly-brilliant 36E baps for Paper mag this month.

Kim also scores points for being all-natural, as opposed to Katie's surgically-enhanced knockers.

But our Katie has been getting 'em out for YEARS, and for that she deserves praise.

Katie, from Brighton, first shot to fame way back in 1996 and has scarcely been clothed since.

This pic from 2006 is one of Katie's finest-ever.

WINNER: Katie – for her sheer perseverance

'Spider-man' escapes over 8ft-high dock

A PRISONER dubbed 'Spider-man' fled from court and leapt over an EIGHT-FOOT high dock after he was denied bail.

James Gelling (*above*) evaded two security guards to make his escape.

The 27-year-old crook clambered over the perspex partition at Sefton Magistrates Court, in Liverpool, before running into the JPs' quarters then making a daring escape from the building.

Merseyside Police have now launched a manhunt for Gelling – who was being held on remand over assault and criminal damage charges.

One witness described Gelling as Spider-man and another was stunned at how the fugitive had managed to escape.

A spokesperson for Merseyside Police said: "Patrols attended and an extensive search of the area is underway. Gelling is described as white, 5'10" tall with ginger hair.

"Anyone who sees him is advised not approach him but to contact Merseyside Police immediately."

UNDIES

DONNING a set of skimpy white lingerie for December 2012's issue of *Factice* magazine, Kim proved she's not shy when it comes to flashing flesh.

Showing off her svelte figure for the launch of her underwear range with George back in 2006, Katie wowed fans outside the ASDA in Lakeside shopping centre, Essex, by cramming herself into one of her sexy pieces.

WINNER: Katie

REALITY TV

KATIE appeared in *I'm A Celebrity . . . Get Me Out Of Here!* in 2004, wowing fans – and soon-to-be hubby Peter Andre – by whipping her boobs out in the jungle.

She lasted 14 days there, eventually finishing fifth.

Appearing stateside in hit show Keeping Up With The Kardashians since 2007, Kim has shown off her bum too many times to count, including during a relaxing pool session in 2009 – pictured. The show is now in its ninth season and doesn't show any signs of stopping.

Desperate Scousewives star & celeb blogger Jaiden Micheal writes for Sunday Sport

THREE days Gemma Collins lasted in that jungle. THREE DAYS!

People are going apeshit (excuse the pun) over her early exit/quit because apparently Gemma will still pocket £40k of her rumoured fee.

Why are the public so bothered and offended? Are you paying her?

I can barely afford to spend £9.99 on a KFC boneless bucket, never mind pay her fee!

I'm proud of Gemma for lasting even three days in there. I couldn't! Living with disgusting creatures, crap food and Kendra.

Hell no, I'd last about nine minutes.

Gemma made amazing telly – regardless, so it is a huge shame she couldn't stick it out.

Jake Quickenden and Edwina Currie have gone in, replacing Gemma and Craig Charles. I wonder if we may witness the new Katie and Peter – the potential is certainly there and the likeness is uncanny!

One is a fame-seeking runt with shit hair and tango tan, the other is about as entertaining as the *Insania* remix.

BOB Geldof has rounded up the puppets again to create ANOTHER Band Aid track.

Apparently Adele blanked Sir Bob's calls so she didn't feature on the single.

Good on Adele! Why would she want to "raise money" for Africa when there's major issues in England that need our cash!

The tracks line up is full of millionaires and Sinead O'Connor so why couldn't they SAVE our eardrums and just donate a few of their own quid? Sure they have more than enough to spare!

This version is nowhere near as good as the classic Band Aid II – with Kylie and Bananarama.

S CLUB 7 have released tour dates for next year. Apparently people are rearranging their holidays, cancelling weddings and paying up to £90 for a ticket!

I wouldn't buy a ticket to see this shower of shite if it cost me 45p and a packet of Space Raiders!

And if my wife-to-be asked me to rearrange my big day so she could go to watch seven muppets singing Reach For the F'in Stars, she'd end up in the morgue!

TULISA could be back on *The X Factor* next year, according to regular judge Louis Walsh.

The Female Boss is set to make a dramatic return after "rebuilding her life".

This is coming from Louis, the same fella who said Mischa B reminded him of a young Adele. Yep, he chats cod shit.

THE CLUE is in the name – because Dannii Harwood always was very good at giving us hard wood!

The bubbly blonde features today in the third instalment of our brill new feature looking at the hottest models of yesteryear.

Each week we'll be trawling through our nostalgic photo albums looking for the bare boobs of days gone by.

And this time we're looking at one of the finest Welsh beauties ever to come out of the valleys.

Glamour and 32F fetish model Dannii says she was born to perform.

She explained: "I always had a penchant for being the centre of attention, and took to the bright lights of fame from the age of two like a duck to water.

"I was born in Neath in South Wales in 1982, and my parents always encouraged me to express herself in the medium of ballet, theatre and contemporary dance.

Popular

"I loved dressing up in the spangly suits – that was definitely a large part of the attraction, too!"

She added: "At 18, after three years of numerous dance jobs in the West End and on tour, I went to my very first photoshoot.

"It was there that I discovered I not only had talent on the stage, but in front of the camera too.

"I knew I was always quite popular with the guys but never really thought about pursuing a career in modelling.

"I had my pictures developed and showed them to a few agencies and BANG – welcome Dannii Harwood! "

The lusty babe, now 32, is still in the glamour industry as a *Playboy TV Chat* presenter and *European Playboy* model.

She said: "I truly love my job and I'm absolutely living my dream!"

Theatregoers saw woman pee in street

A WOMAN whipped up her top and gave theatregoers an eyeful of her boobs, a court heard.

Drunken Janette Snape, 51, also squatted and urinated in the street.

Snape, of Brixham, Devon, then became abusive when police tried to arrest her.

Magistrates were told she got so drunk on vodka she pissed in the street and exposed her bra to people outside the Princess Theatre in Torquay (*above*).

The prosecution told the court: "She exposed her bra and urinated in the street while there were families there."

Her defence said: "She has a problem with alcohol."

Snape pleaded guilty to being drunk and disorderly on September 29 when she appeared before Torquay JPs.

She also admitted two counts of breaching her bail.

She was jailed for 21 days and told to pay an £80 victim surcharge.

Uni clean-up for w*nking student

A UNIVERSITY library has been steam-cleaned after a female student was caught masturbating in it.

The horny undergraduate posted her live solo sex session on a pay-per-view peepshow, but after being caught during a security sweep, the area she did her bean-flicking in has been industrially scrubbed.

A spokeswoman for Newcastle University, Australia, said she was "very disappointed" a student was "using internet facilities inappropriately".

She added: "The matter has been investigated and the student has been counselled. It would be inappropriate for the university to provide specific details in relation to the incident."

The live web camera show comes after claims other hard-up students are using "informal" online sex outlets to make ends meet.

THE lost city of Atlantis has some delightful hidden treasures – beautiful BOOBS!

Two of the female stars of BBC1's Saturday night fantasy series have bared all in the name of their art.

Sarah Parish, who plays manipulative Queen Pasiphae, has peeled off TWICE for the cameras.

She was topless for a sex scene in the 2002 TV hit *Sirens*, in which she played a lady copper who was very good at taking down her own particulars!

Then in 2007, the 46-year-old actress stripped off completely alongside *Doctor Who* star David Tennant for a bedroom scene in the film *Recovery*.

But she's not the only lady on the *Atlantis* set to have bared their flesh on screen.

Co-star Juliet Stevenson, who plays the mysterious Oracle, did a full frontal nude scene in *The Secret Rapture* in 1994.

And a year later she was naked for the cameras again in top TV drama *The Politician's Wife*.

One production source said: "Actors like Juliet and Sarah really have a considerable array of performance skills.

"And they're bloody nice to look at, too!"

SEX-MAD MONKEY'S NUTS FOR NICOLE KIDMAN

By BRAD CHADWICK news@sundaysport.co.uk

A ZOO'S dominant male orangutan has developed a fetish for redheads – and a CRUSH on flame-haired Aussie actress Nicole Kidman!

Hsing Hsing (right), who recently celebrated his 39th birthday, has a harem of in-house girlfriends, but his roving eye means he is always on the lookout for hot red-headed females among the humans who come to see him.

Not only have keepers noticed he stares at them, he's also ripped out pics of Nicole Kidman from magazines put in his enclosure in Perth, Western Australia.

Usually, orangutans toss the paper around but Hsing Hsing tears out pics of the Hollywood superstar to keep.

Primate supervisor Holly Thompson says it's a case of "close enough" when the 200lb ape sees redheads like Kidman, who share 97 per cent of his DNA.

She said "He's definitely interested, it's amazing.

"He understands that he's attracted to a lovely redhead female orangutan and then he sees a lovely redhead in a magazine and goes, 'oh yeah, close enough – Nicole Kidman, I'm going to rip that page out and put it to one side'."

The top heavy stunna, 25, says she gets turned on by strangers watching her shagging.

And the Cheshire-born beauty reckons she'd even be up for some al fresco action down the local car park!

Sophie – who boasts a perfect pair of 30H palm-stretchers – said: "I definitely like doing it outside.

"I love the idea of being caught. I suppose that's why I wouldn't mind a bit of dogging!

"In fact, one night me and my boyfriend were coming home and just couldn't wait until we got in the house – so we had sex on my garden lawn!

"It was only when some lights came on that I realised it wasn't my garden. Oops!"

Banana flunkeys set up Queen plop cordon

EXCLUSIVE by JUSTIN DUNN
Royal Correspondent

A SPECIALLY-DESIGNED security cordon is set up for the Queen every time she takes a DUMP.

The 88-year-old monarch – who has been on the throne for 62 years – has to be allocated her own private loo when attending events outside of the Royal palaces.

For years it proved a logistical nightmare, with Her Majesty's security detail having to weigh up her safety against her obvious need for privacy during lavatory breaks.

But her crack team of guards have come up with an ingenious way of ensuring nobody hears Her Maj plop – using a BANANA.

Respected gossip site *Popbitch* reported how the guards settled on the perfect way to meet both criteria.

It revealed: "Many years ago a friend's father, who worked at a hospital awaiting a visit from the Queen, told how they were given clear instructions by Palace staff on the logistics involved in the allocation of a toilet for Royal use.

"Two men stood guard outside. In order for there to be no potential for Royal embarrassment, a banana was dropped repeatedly, while the men moved around to points where splashing became inaudible."

A Buckingham Palace insider said: "The Queen feels the need to snap one off just like the rest of us. This trick works well for all involved."

Man waggled his penis at woman cop

AN exhibitionist who drove alongside a woman and "waggled" his penis at her through the window was caught when he discovered she was an off-duty policewoman.

Matthew Stewart asked the PC if she wanted to "suck it" while waving his genitals at her.

The 33-year-old, from Camberley, Surrey had pulled over in an avenue close to his home, on February 11, a judge heard.

PC Clare Nettleton was not in uniform, when the car pulled over next to her at 7pm.

She thought he might be asking for directions, only to find he had his trousers down and was holding his penis.

Guildford Crown Court heard: "He was 'waggling' it at her. It wasn't erect."

Stewart had pleaded guilty and was handed a 12-month community order with supervision, and placed on the Sex Offenders' Register.

Corrie on fighting, girls!

CORRIE, eh? Never a dull moment on the cobbles.

If you've not been tuning in recently, Peter Barlow (Chris Gascoyne) was found guilty of murdering Tina McIntyre (Michelle Keegan).

But Peter didn't kill her – it was his brother-in-law Rob Donovan (Marc Baylis).

Rob was set to marry Tracy Barlow (Kate Ford), Peter's half sister. But Peter's wife Carla (Alison King) grassed up her brother Rob.

That's the background to this scene, with the girls fighting on the famous street.

One former Corrie fan said: "Whenever I think of *Coronation Street*'s far-fetched and, frankly, ridiculous plots, I lose the will to live."

COFFEE JIZZ IS OK, RULE SEX LAWMEN

HE'S BEAN MUCKY: Lind (*left*) jizzed in woman's cup

By BRAD CHADWICK
in MINNEAPOLIS

IT'S not a sex crime to SPUNK in a colleague's coffee – and that's OFFICIAL!

Prosecutors dropped sexual assault charges against a man who was admitted coming onto a co-worker's desk and into her breaktime brew.

John Lind, 34, was originally charged with two counts of criminal sexual conduct in August for the jizzing incidents.

But law chiefs now say there was not enough evidence to provide probable cause Lind's alleged actions constituted criminal sexual conduct. According to the complaint, a

worker at a hardware store called police saying she thought Lind was leaving bodily fluids on her desk.

She told police that she had found Lind standing at her desk with his back turned. Lind allegedly had both of his hands in front of him near his genitals.

The woman told police she inspected her desk and noticed a strong odour that resembled urine, but was "a bit different and strange".

She said her coffee smelled the same way and noted that she had had an ongoing issue with experiencing a foul taste in her coffee.

Dripping

The woman also told police she noticed a large amount of clear liquid on top of her desk that was dripping onto the floor, which she believed was either urine or semen.

Lind later admitted to ejaculating on her desk and into her coffee.

But the Ramsey County Attorney's Office in Minnesota said contact by seminal fluid does not constitute probable cause to support the sex charges.

App stops drunkards ringing up

A STUDENT is raising a glass to a mobile phone app which he reckons will make him the toast of the town.

Joshua Anton's app prevents "drunk dialling" or "drunk Facebooking" by barring users from their contacts after a glass too many.

Josh got the idea after receiving a boozy phone call from a lass on his course.

The University of Virginia undergrad explained: "At a party I had a few calls from a girl who I knew probably wouldn't have said those same things if she was sober. I thought it would be an interesting idea."

He looked for partners to help in the building process. Seven months later and with a budget of just £350 he and his team launched the Drunk Mode app.

He's now had 100,000 downloads and hopes to have a million by this time next year.

Porch w*nker gets pulled in

A 36-YEAR-OLD man was arrested after he was caught masturbating on his front porch by a woman delivering newspapers.

Richard Walzak was standing in front of his house wearing a red robe that was open, exposing his genitals.

As the newspaper delivery woman drove past to hand a paper to one of his neighbours, Walzak allegedly began to pull his plonker.

When an officer went to the house, through the window he could see the red robe hanging on a closet door, police in Fairfield, Connecticut, revealed.

Walzak allegedly did the same thing on four earlier occasions, the delivery woman told cops.

He was charged with public indecency and second-degree breach of the peace.

Foul-mouthed outburst shocks Basingstoke audience

CHARITY: Band Aid 30 did not feature a dwarf in the chorus line

SUNDAY Sport EXCLUSIVE

LIKE many of his kind, diddy Brian Cater was looking forward to a seasonal bonanza playing one of Snow White's dwarfs in this year's panto.

But his dreams of riches have collapsed around his itty-bitty ears after he ejaculated a torrent of x-rated filth during his show's premiere.

He now faces a cold Christmas of unemployment after he was sacked for his antics.

Brian – who bears an uncanny facial resemblance to Band Aid pottymouth Bob Geldof – had, by his own admission, been drinking heavily before the curtain went up at the Basingstoke Globe theatre in Hampshire.

Despair

The troubled titch held things together until he and his six cohorts came to the traditional "Hi-ho, hi-ho" dwarfs' song.

Audience members gasped in shock as the tiddly thesp burst unsteadily from the chorus line and yelled: "C**t-c**t, c**t-c**t, it's off to c**t we f**king c**t!"

The pissed player then plunged headlong into the orchestra pit where his sobs of drunken despair were heard over the shocked silence which descended on the theatre.

Pantogoer Gillian Fawcett said: "My four-year-old Jasper looked at me with tears in his eyes and said, 'Mummy, why did the little man say such bad words?'"

According to witnesses, the curtain came down for an impromptu interval.

Brian was led away and, after an apology from managers, the performance restarted five minutes later – with just six dwarfs.

A spokesman for the Basingstoke Globe said: "One of the dwarfs was taken unwell during the performance.

"He is no longer with the production.

"We apologise to members of the audience who may have been upset by some of the language that was unfortunately uttered."

Last night, Brian refused to answer the door at his specially-adapted flat in Andover, Hants.

BRITAIN'S SWEARIEST COLUMNIST

HOLY SH*T!

IT'S Sunday, a day for quiet reflection and prayer. And who better to spend it with than Britain's first – and only – Tourette's vicar, the Reverend Edward Regis?

Despite being born with Tourette's – a condition that forces the cleric to swear – Rev Eddie fulfilled his dream of becoming a minister.

He's a man with a lot to say about what is happening in the world, despite his affliction. And *Sunday Sport* has made a vow to publish his Godly views – UNCENSORED and UNCUT!

Never – *rimjobs!* – think you're better than others

THERE'S an old saying – *Spunkback taddy!*

Never mix religion – *swigging whorerack!* – and politics.

*F**k! Anal! Arse-clit! Shitgangsa!* Probably a good idea if truth – *gland!* – be told.

Turds! Stinking turds!

But I am – *f**k!* – afraid I'll have to ignore that sage advice this week.

Poontang! Lovebox! Poontang lovebox!

Because there was no getting away from – *pubelicker!* – politics last week.

Birdy num-num!

I am of course talking about the by-election – *dildo!* – in Rochester, which saw UKIP win an expected victory.

Manjuicer! Intersexed vegger! Lambshank!

But that wasn't necessarily the biggest story, – *gorgeboy!* – that prize went to Labour front-bencher – *chubster!* – Emily Thornberry (*right*).

Bitchy bigmouth! Cocksilk! Girlflower!

As you've doubtless heard – *skaggster!* – the MP tweeted a somewhat snobbish picture.

*Chapel hat-pegs! Pointy f**k-nipples!*

It was of a white van parked outside a house – *bongosnapper!* –which happened to have three England flags on it.

Lusty butt-finger! Weathervane! Cottager!

Emily, an MP from a rich part of London – *wankf**kminger!* – captioned it with the condescending "image of Rochester".

Sodbags! Ass-tube! Lubed twanger!

Unsurprisingly, she was sacked in pretty short order.

Nazi crank!

The papers said that – *gawky munt!* – Ed Miliband was "as furious as he's ever been".

*F**k! F**k! Shit! Bloody shit! Grotbags! C**tarf!*

Imagine what that must have looked like! Pretty strange!

Grannygobble!

But there's a serious message here for us all.

*Muthaf**kers f**king with my sh*t!*

Never – *rimjobs!* – ever think you are better than someone – *vag!* – else.

Macarana!

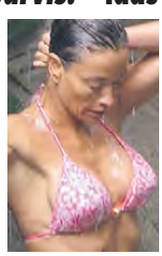
Because if you do – *johnny todger!* – it will come back to bite you.

*Flesh! Cheeks! Bum! Sh*t 69!*

Just like it has with – *fatarse!* – Emily Thornberry.

Blutbaker!

Think about boobs – *Jarvis!* – lads



I LIKE reality TV as much as the next vicar.

Loom-handle!

But I have a bone to pick – *wangs!* – with the makers of *I'm a Celebrity...Get Me Out of Here!*

Mouthy! Dickhead! Tobymug!

Is it so necessary to have the female stars like Mel Sykes – *brownstarfish!* – showering in the open air?

Tits! Arsepillows! Vibrobride!

It just seems a bit gratuitous.

Something for you to think – *wankbank* – about Ant and Dec!

Jarvis!

Why we should praise – *gash!* – virgin Andrea

***X-Factor* star Andrea Faustini – *beardface!* – seems like a nice chap.**

Pickles! Farter!

I was heartened to see he's told the – *penis!* – papers he's still a virgin at 20.

Blueballs! Soreballed virgin!

How refreshing in this day and age.

Spunkjam! Cumdam! Cockblock! Blueballs!

Because there is absolutely nothing – *fk!* – wrong with waiting to meet the right person.**

Gash! Gasher! Codgills! Kebab!

Nothing at all!

Sorecobs!

The media – *bogroll!* – today seems to be all about who's "doing it".

Doggy! Cowboy! Backscuttle! Pussy! Cockferry!

But instead we should celebrate those – *cherrypop!* – who aren't.

Wankcry!

At least until they are – *arsegnome!* – good and married.

Jacksie poophole!

After all Jesus was a virgin – *bluenuts!* – and so was his mum.

Foreskin! Testes! Testicleballs! F**k! Owlradge!

So well done Andrea, you are in good company!

Cojones!

Cock-waving cop is caught on camera

A POLICEMAN was arrested after he was caught waving his semi-erect penis at young male motorists while in his cop car.

The dashboard camera from 37-year-old Jason Miller's police cruiser captured the married father of two undoing his trousers and exposing himself at least five times over a seven-month period earlier this year.

The incidents all happened during late night and early morning traffic stops in New Jersey.

In one video in particular, his penis is clearly visible.

"His junk was hanging out!" one victim reportedly told officers during the investigation.

Drivers allege Miller, who has been a police officer since 2001, would approach their vehicles then ask them if they had "noticed his zipper was down."

He is currently on bail, but he has been suspended from his job indefinitely without pay.

THE M&S fairies from their latest Christmas ad will be raising more than just your spirits this season – we've got one of them TOPLESS!

The retail giant's two-minute promo features a pair of pixies spreading festive kindness.

And we can exclusively reveal that model Chloe Francois – who plays the blonde Tinkerbell – once bared her perky boobs in a raunchy magazine shoot. The sizzling snaps were splashed across a French fashion quarterly several years ago and have never been published in Britain – until now!

A Marks & Spencer mole said: "These are very tasteful photographs and Chloe looks fantastic.

THAT'S NO PENGUIN ...THAT'S A MAGPIE!

Gangs flog counterfeit birds in backstreet boozers

EVIL conmen are flogging disguised MAGPIES as BABY PENGUINS in backstreet boozers, we can reveal.

It's the latest way in which racketeers are cashing in on Monty-mania – the penguin craze sparked by this year's sick-making John Lewis ad.

Cold-hearted fraudsters net the common birds, CHOP off their tail feathers and PAINT penguin markings on the wild birds' chests and bills.

Torturing

Some tricksters even insert STEEL RODS into the magpies' spines to give them a penguin-style erect stance and "waddle".

Paul Vance, head of the Magpie Welfare Trust, raged: "It is intolerable they are cashing in on the craze by torturing living birds.

"I'd urge anyone who is offered one of these 'penguins' to contact the police or the Trust, via our website. Together we can wipe out the twin evils of penguin fraud and magpie abuse."

Acting on a tip-off, *Sunday Sport* reporters visited a pub in Crewe, Cheshire, where we heard that crippled magpies were being flogged as baby penguins. Within minutes, a man reeking of liquor sidled up and began his sales patter.

He rasped that this "genuine real North Pole penguin bird" was on sale for a cool £800.

We made our excuses and left.

Toys of Monty the Penguin sold out within hours and are now chaging hands online for up to £500.

SHAMEFUL: Our reporters were offered this modified magpie, made to look like Monty *(below)*

WHEN TV WAS NOT PC...

C4 shocks right-on viewers with Seventies nostalgia show

CHANNEL 4 had snooty *Guardian* readers howling with outrage last night after screening the second part of a documentary about non-PC 1970s TV shows.

It Was Alright In The 1970s showed the late comic Bernard Manning, teenage beauty pageants, smoking and the black and white minstrels – all CONDEMNED today as unutterable EVIL by PC prodnoses.

The two-part show – which can still be viewed for free on the 4oD website or app – also had clips from the long-running *Benny Hill Show*, golliwogs on jam jars and Pamela Stephenson exposing her bra and getting slapped in an episode of cop drama *The Sweeney*.

One of the most controversial clips was of veteran BBC presenter Terry Wogan hosting a beauty contest for *Seaside Special* back in 1978.

In it, he asks a girl standing next to him in a bikini: "How old are you?"

When the girl replies she is sixteen, Wogan says: "You're a big girl for 16."

Later in the programme Leslie "Ding Dong" Phillips is seen playing a randy uncle trying desperately to fight off a teenage "niece" who is begging him to take her VIRGINITY.

By JUSTIN DUNN
justin@sundaysport.co.uk

Throughout the documentary guests like David Baddiel and Jenny Eclair make comments about the old footage.

Twitter user Chris Green, from the Wirral, sniffed: "Jaw-droppingly shocking. Glad I'm not old enough to have seen it 1st time round."

But Teesside-based Twitter user Robo commented: "watching It Was Alright in the Seventies makes me realise how PC correct we've become, what a sad and serious life we now live."

Sunday Sport SAYS...

A TIME traveller from 1974 would be astonished by modern Britain – a place where the phrase "You can't say that!" is now a national mantra.

Yes, language and attitudes were more robust back then but are we REALLY a happier country today, where offence is taken at the most minor slip of the tongue?

Well done Channel Four, for telling youngsters about the good old days when we were not gagged by purse-lipped conformity.

Snake sex porno pics car dealer walks free

A CAR dealer has been spared jail after he claimed he only looked at pictures of a woman having sex with a SNAKE to get over his marriage problems.

Keith Dorrington, 55, was depressed and suffering from erectile dysfunction when he downloaded extreme pornographic images on to his work laptop.

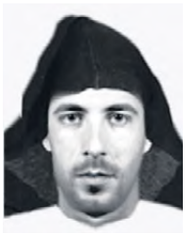
Some of the films he viewed featured acts which could have damaged the genitals, Snaresbrook Crown Court heard.

The prosecutor said: "This defendant was working for the Ford Motor Company in Dagenham, Essex, and on June 17 this year [the company] provided information to police that there had been unusual internet traffic on their site.

"Police attended, spoke to this defendant and arrested him and found these images on his laptop computer."

Dorrington told cops: "I was suffering from depression and an enlarged prostate gland," the medication for which caused erectile problems.

The judge sentenced Dorrington, of Rochford, Essex, to five months suspended for two years and was also ordered to complete an internet offenders course.



Pencil museum town perv hunt

A SERIAL pervert is flashing his nib in a town which houses Britain's only PENCIL museum.

Cops have released an artist's impression of what he might look like and are appealing for witnesses following a spate of incidents in Keswick, Cumbria.

Detective Constable Christie Robertson said: "I would like to hear from anyone who believes they may know the identity of the man portrayed in this computer-generated image, or anyone who may have any information as to who is responsible for these incidents."

The pencil museum opened in 1981, and now receives over 80,000 visitors a year from all around the world.

AS SEX BABE GETS WITHIN 300 VOTES OF LIB DEMS AT ROCHESTER & STROOD

GENERAL ERECTION: Charlotte will change Britain's sex laws

I'LL SPANK CLEGG IN GENERAL ELECTION

By NEIL GOODWIN
neil@sundaysport.co.uk

A STUNNING S&M sex worker is promising to WHIP Nick Clegg in the General Election, announcing plans to stand as a candidate in Brighton.

Gorgeous Charlotte Rose came sixth in last week's Rochester and Strood by-election having stood as an independent.

Clegg's Lib Dems only just managed to pip Charlotte in the polls, gaining 300 more votes.

And now Nottingham-born Charlotte has got the limping Liberals in her sights at next year's elections.

The beauty, who operates as a £180-an-hour belle de jour and dominatrix from her Canary Wharf, central London pad told *Sunday Sport*: "I only entered the Rochester by-election at the last minute, so had just a couple of weeks to prepare. I feel I could have done a LOT better, which is why I'll be standing in the General Election next year to really do myself justice.

"Nick Clegg should be very, *very* worried. I'm sure I can beat them at the polls."

Charlotte, a brainy university graduate who holds a degree in Hospitality Management, has even formed her own party – the Sexual Freedom Party.

Her policies include the legalization of prostitution, better sex education for Britain, and an improvement in all of our "sexual freedoms".

The 34-year-old blonde, who sports lovely 36B boobs and began escorting in 2003, said: "I'm not shy or embarrassed about what I do. I LOVE my job. Every day I wake up knowing that I'll have at least two or three orgasms. What job is better than that?

MAKE IT COUNT: With Loony last Thursday evening

"And I'm here to champion and support sex workers. Tougher legislation against prostitutes will just drive the paying for sex underground, making it more dangerous for escorts."

Sex Worker of the Year Charlotte's antics are being documented by a film crew for a TV show next year.

For more information visit Charlotte's website: *www.english-courtesan.co.uk*.

Bum fingered for beach tug

COPS arrested a homeless man for masturbating furiously on a beach.

Officers were called to Santa Monica beach in Los Angeles after a lifeguard scanning the shoreline with his binoculars spotted the 43-year-old suspect slapping his ham.

The suspect had his penis in his hands and was gratifying himself in full view of other beachgoers.

Officers realised the suspect had not yet completed his act of self-gratification, so they interrupted.

They arrested the man, of no fixed abode, and charged him with indecent exposure.

'Gunman' court out eating poo

A MAN facing trial for a firearms offence has been jailed for 30 days – after eating SHIT in court!

DeAnthony Terrance Parker, 31, was scheduled to face a charge alleging he unlawfully had a 9mm handgun.

However, after the judge smelled an offending odour and caught Parker scoffing plop, the hearing was postponed a day.

Judge F. Michael Meersman cleared the court and next day Parker appeared again in the dock at Rock Island, Illinois – this time in handcuffs to avoid a repeat of the poo-scoffing.

After serving the 30 days for contempt, Parker will return for trial on the gun charge.

Just pop it in the slot!

LOT TO ENDURE: Pixie in Post Office ad

THE Post Office hopes to boost Christmas trade this year with a festive TV ad starring Pixie Lott and that annoying twat who does the *1001 Movie Mistakes* on BBC3.

The rather simpler option of not closing thousands of f**king Post Office branches clearly did not occur to senior management.

Needless to say, the new Post Office advert does NOT feature a couple apparently well-knotted.

This pair of lovebirds was spotted almost hidden from view behind a pillar box in the famed fishing town of Peterhead in Aberdeenshire.

A witness said: "Ah, it must be love because where they are doing it is known as Peterhead Post Office Pish Corner.

"Just about every bladder in the town gets emptied at that spot on a weekend evening after throwing out time."

We got Grannies! We got MILFs!

SEND ONE TEXT MESSAGE AND WE'LL PUT YOU TOGETHER WITH ONE YOU FANCY!

SOME guys' dream older woman might be a 40something yummy mummy with a perfect body while others are turned on by someone considerably older...a wrinkled chubby with grey hair and dentures!

But, d'you know what? That's great! Each to their own!

Whatever you want from an older woman we can find for you. Just text us and we'll quickly work out what you need and pair you up with one of our lovely golden oldies.

But remember, there's one thing all our ladies have in common...they all love sex with younger men...or older ones, they're really not that bothered!

That skill, that ability to drive men mad never leaves some women. However old they are, however many lines they have on their face, however saggy their boobs or flabby their belly, they've just got it...in spades!

You can text her and tell her how she gives you the horn and how you want to undress her and explore every wonderful inch of her then lose your mess all over her!

We've got hundreds of older women like her on our books...just look at the ladies on this page and think about which one you fancy the most.

Aged from 42 to over 70, we can put you in touch with ladies from all over the UK (just add your postcode to your first text message).

But be warned, these mature women are looking for frank, explicit text sex chat with younger men...and not just chats about jam!

If you've never tried sexting then this is your perfect opportunity. If you've never had a sexy encounter with an older woman then prepare to change all that!

WHY WE ASK FOR YOUR POSTCODE...

WE know that some of you guys are not bothered where a lady lives...as long as she is hot and horny and up for fun!

But many of you want to find a no-strings sex text partner who lives locally. By giving us the start of your postcode we can do this for you. We've got ladies from all over the UK so there's sure to be one living near you! You might have seen her down your street!

If you're not bothered then don't put your postcode in your first message. Easy!

HOUSE WIVES HORNY 4 U

IMAGINE her, in her bedroom, bored, checking her Facebook, her emails, but all the time waiting for another text from you...she loves text messages from you because you always say nice things to her...sexy things that make her p***y tingle.

Sometimes she gets so turned on she has to relieve herself. Sometimes she gets naked first and other times she just slips her fingers into her panties. But all the time she's thinking about what you said to her in your text messages. It's time to stop imagining and start texting horny UK women for real.

Just follow the instructions below and we'll sort you out.

T GIRLS

Text me and I'll tell you all about what I've got in my panties...

YOU know it's there...but it's still a surprise when you peel off her tiny panties and....there it is...a C**K! A f**king hard c**k on the cutiest girl you've ever seen!

Welcome to the world of T-girls!

Remember, a girl that was born a boy does NOT make you gay. After all, these ladies are looking for STRAIGHT guys. Well, here's your opportunity to explore your desires...Imagine peeling off their designer clothes to reveal a stunning, slim body...you'll learn that the lack of a vagina does NOT mean there's no-where to put it...just you wait...

Readers who've already had text fun with a TV girl (and a few who've done a lot more than text!) all say it is one of the most erotic experiences of their life so if you've ever had a hankering, here's your chance!

Pervert got into victim's bed nursing a hard-on

A PERVERT is facing jail after he forced his way into a woman's flat before stripping naked and getting into her bed with an erection.

Drunk Kyle Girling, 26, turned up at his victim's house and started banging on her door dressed only in his underpants.

The young mum answered and told him to leave, but he ignored her demands and forced his way inside.

She fled and found a friend to help her kick him out, only to discover him naked in her bed.

Girling was also said to be in an aroused state before police were called to remove him from the flat in Ipswich, Suffolk.

Girling denied a charge of trespass with intent to commit a sexual offence in relation to the incident in July, but was convicted by a jury at Ipswich Crown Court.

Prosecuting, Lindsay Cox said the victim is now unable to sleep in her own bed.

The court was also told Girling, from Ipswich, had admitted an offence of trespass with intent to commit a sexual offence and sexually assaulting a woman in 2011.

He admitted being in breach of a sexual offences prevention order for that offence.

SUNDAY Sport REAL LIFE

GOOD HEAD: Sarah's only well when she gets well f**ked

SHOCK MEDICAL CONDITION HAS TURNED SARAH INTO A NYMPHO

EVERY randy bloke has heard his missus moan: "Not tonight dear, I've got a headache."

By BARNEY SAMUELS
news@sundaysport.co.uk

But Sarah Newall MUST have sex EVERY DAY or she GETS a crippling, sickening migraine.

The pretty – though mad-eyed – 27-year-old from Northampton suffered from chronic stress-related headaches that over-the-counter pain relief barely kept at bay.

But after starting a relationship 12 months ago, she noticed that the migraines had ceased.

Accounts clerk Sarah explained: "We were in the first flush of a new relationship so, naturally, were at it like rabbits every day.

"I noticed that my headaches had stopped. I felt I'd got a new lease of life.

"I thought that the happiness of being with a man again had sorted me – but then my fella went away on business for a few days. Within 24 hours, I was sat in a darkened room with a migraine.

"It was obviously the sex and not the relationship itself that was keeping the headaches away."

When the boyfriend found that Sarah had been checking his phone messages and had been following him to work he dumped her.

And the migraines were back.

Sarah said: "I've never been particularly promiscuous but I needed sex to keep the headaches away.

"I began by meeting up with old boyfriends but many of them were married so couldn't give me regular cock.

"Eventually, I started trawling internet dating sites. They are called 'dating sites' but really they are just hook-up sites for people after nookie.

"Sometimes I wasn't even particularly in the mood for sex but I had to have it to keep my head from exploding.

"I spiced it up a bit to stop it getting a drudge. I experimented with a bit of light bondage, I enjoyed anal and once I even persuaded a bloke to let me wee on him.

"But the main thing that keeps me well is a good, hard f**k.

"Let's be honest, there are worse medicines to take!"

Marines size up Bigfoot in Afghanistan

BIGFOOT has been sighted...by a U.S. marine fighting in Afghanistan.

The astonishing incident was reported by an unnamed Army sergeant, who was patrolling the mountainous areas of Bargi Matal, Nuristan Province.

The squaddie was astonished to see a "big monkey or ape" through his night vision scope.

A copy of his testimony has now been uncovered by investigator B.G. Martin, who said: "It was enough of an event that he woke the five other soldiers in his troop to look through the scope.

"None of them could come up with a reasonable explanation for what they were seeing."

It's not the first time a Bigfoot has been seen in the country.

Local legend calls the beast a "Barmanou", which roams hills in both Afghanistan and Pakistan.

Caitlin Wynters

Age 24, 32E-23-34, from Wanstead

DEANO ON SUNDAY

MIDDLE Rasen Primary School in rural Lincolnshire missed out on a top Ofsted rating from inspectors because it did not have enough ethnic minority pupils.

The population in its catchment area is 97 per cent white British. What is the school to do? Ship in black and Asian people for the kids to look at?

THE gorgeous Myleene Klass, who has an Austrian father and a Filipino mother, has been told she should get out of Britain.

Not by bone-headed BNP thugs, but by lefties. Normally lefties rise up in anger at the words "if you don't like it here, fk off out of Britain".**

But, last week, it was them making the call. Mad, I know. But lefties are mad. Mad, smug and utterly incapable of realising they are always wrong.

Miss Klass's "crime" was to take Ed Miliband to task over his so-called "mansion tax".

Blinkered

Myleene is unhappy that an incoming Labour government would help itself to a slice of the wealth that she has built up by her own hard work.

To lefties, objecting to increased taxation is the worst crime of the lot.

This is utter, utter bollocks.

Objecting to unfair taxation is how English liberty was born.

But lefties cannot see that. They are too blinkered by petty envy and spite… the cts.**

And very few lefties are as pretty as Myleene, either.

THE band which plays along with England football fans' terrace songs was told off last week because they accompanied anti-IRA chants in the match against Scotland.

I knew that Britain had rolled over for the Provos, but I didn't realise it was now against the rules to sing "Fk the IRA".**

Give it time. Soon we won't be able to be rude about ISIS.

NOT WELCOME: Blanc's banned while we let in Muslim loonies

If 'date guru' wore a beard, maybe they'd let him in

THERE is no doubt that Britain is a better place without Mr Julien Blanc.

As well as encouraging the misspelling of the name "Julian", Blanc is, by all accounts, a pretty rum piece of work.

The Yank styles himself as a "pick-up artist" and "dating guru", though his methods include encouraging men to harass women with the aim of having sex with them.

Nice.

Blanc has apologised, saying his intention was "a horrible attempt at humour" taken out of context.

But, as Mr Dapper Laughs found recently, jokes about being beastly to ladies don't go down too well at the moment.

So, after a campaign conducted – naturally – on social media, the Home Office has banned Blanc from the UK.

I agree that foreigners who hold vile, unacceptable views about their fellow human beings should not be allowed into Britain.

We've got enough unpleasant bigots of our own without importing them.

I'd be more convinced that the government was committed to keeping out people who are not "conducive to the public good" if their policy was applied consistently. But it isn't.

Terrorist

In 2010 a charming character called Zakir Naik was allowed into the UK by officials.

Naik has said those who leave Islam and "propagate the non-Islamic faith and speak against Islam" should be put to death in an Islamic rule.

He also declared: "Every Muslim should be a terrorist."

Libya's grand mufti, Sheikh Sadiq Al-Ghariani, travelled to London on a tourist visa some months back.

In March 2013 he issued a fatwa against the UN Report on Violence Against Women and Girls. Lawyer Hamida Al-HadiAl-Asfar was abducted, tortured and killed after she criticised the Grand Mufti's declaration.

Time and again we've read of Islamist headbangers being allowed into Britain to spout their hateful tripe. Where are the huge internet campaigns to keep them out?

Oh… that's right… nobody wants to appear raaaaay-cist!

Maybe if Julien Blanc had grown a beard and went around waving his finger, he would have been allowed into Britain without a murmur.

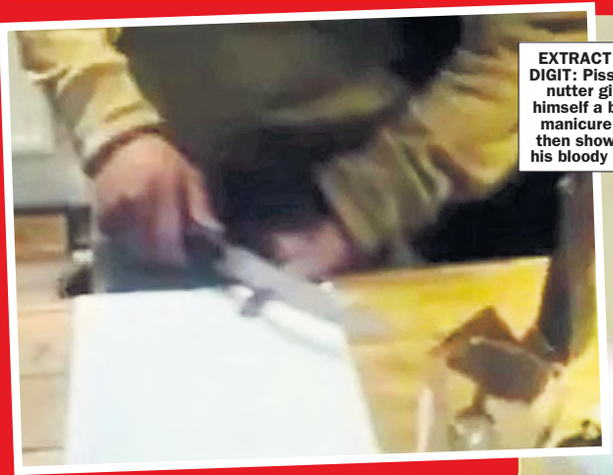
DRUNK CHOPS OFF HIS PINKIE FOR £50 BET



EXTRACT THE DIGIT: Pissed-up nutter gives himself a brutal manicure and then shows off his bloody injury

FINGER MUPPET!

HERE'S A TIP: The kitchen table surgery stunned onlookers

A DRUNKEN Welshman staggers, pale and about to pass out with shock, after cutting off his own FINGER... for a £50 bet!

The gruesome video nasty surfaced online last week and, while it's difficult to stomach the bloody finale, it's been watched thousands of times.

The three-minute clip begins with a clearly-rat-arsed man brandishing a knife while standing over a table crammed with wine bottles, beer cans and fag butts.

A voice behind the camera asks, "Are you going to do it anyways?", while a helpful lady tells him, "Pass me the knife, John, I'll do it. We'll give you £50 between us".

At this point another chap wanders into view carrying a HATCHET, while saying, "I don't know what all the talk is for anyway, you won't do it." The slurring nutter places the blade on the tip of his pinkie, while a moustachioed chap gives the blade a hammer-blow with the blunt end of his axe, severing the digit clean.

As claret pumps from the fleshy stump, the fella flashes his injury to his stunned pals.

One horrified viewer said: "Cut off another appendage to ensure you don't breed."

PUPILS CATCH HEADMASTER LICKING OUT MATHS MISS

A RED-faced headmaster is on the warpath after he was named as the muff diver in this raunchy classroom clinch.

Students say they caught Drago Kamenik going down on a brunette maths Miss after hearing moaning sounds of pleasure.

One pupil said: "We heard the noises and knew that someone was having sex in there, but we thought it would be other students.

"We couldn't believe it when we saw our maths teacher and headmaster."

The horny encounter went viral after being filmed and posted online.

Married dad-of-two Drago, 41, is said to have been found between the legs of randy 45-year-old Manja Mertelj.

But he claims that the video is a fake and has threatened to sue the students.

He said: "The man in the video is not me, it has been photoshopped.

"I also spoke to my wife. Can these fools even begin to imagine what damage they have caused to me by doing this.

"As for the maths teacher, she is a very good teacher and has had many positive things said about her."

Willing

He has reported the video to the police in Maribor, Slovenia.

But students at his high school say they are willing to put up even MORE clips online which they say clearly identifies the pair.

One said: "We can put up more to prove it, but I don't think anyone really doubts us with this."

ORAL EXAM: Students claim they have more images of pair on job

DUBAI

A DRUNK wandered into the wrong flat and kissed a sleeping housewife after a night on the sauce.

The 40-year-old Saudi was convicted of trespassing, molesting, attempting to steal and consuming liquor – and he was caged for three months.

SWITZERLAND

A PYTHON smuggled from Vietnam as a baby has been handed to a Swiss zoo after outgrowing the private home in Garenne it has lived in for the last two decades.

The reptile, which 20 years ago fitted inside the trouser leg of a Swiss boy coming home from a holiday in Vietnam, today measures 18 feet long.

GERMANY

MUNICH police found the body of a woman in a flat after her daughter failed to report her death for five years.

According to police reports, the 83-year-old died in 2009, and had been kept for so long by her daughter, 55, that her body had become mummified where it lay in the bed.

USA

PARENTS at an elementary school in Chicago were "horrified" when they saw the "obscene" sexual education materials their fifth graders would be learning.

The curriculum included condom demonstrations and anal sex techniques.

CHINA

FARMER Xu Jinkui, 43, from Changle county in Shandong province was stunned when his goat gave birth to a kid with two heads.

Xu said: "They told me to leave it to die. I asked the vet and he said it wouldn't live long. But the mother didn't reject it and I gave it a bit of extra milk and it did well."

JAPAN

A FOUR-year-old girl sustained only minor injuries after she fell 75ft from the balcony of her 9th floor apartment in Usa, Oita Prefecture.

The toddler stood on a chair before she then climbed on top of the balcony's three-foot railing.

BBC ROCKED BY BOOB FLASH STASH CLAIMS

DIPPY NIPPY: Dibley star Emma (*far right*) is said to be on 'blooper' vid

Secret haul of wardrobe malfunction footage

DEEP in the bowels of BBC's Broadcasting House there's a secret cache of footage showing female stars baring their boobs.

That's the astonishing accusation that's been levelled at the Beeb as the claims spread like wildfire across the internet.

The allegation was made by a mystery poster on a popular nudity blog web forum, who says he witnessed clips showing household name babes accidentally suffering wardrobe malfunctions.

The 'bloopers' – said to include a 'nipple slip' from *Vicar of Dibley* star Emma Chambers – were cut from the original reel and never broadcast.

By NEIL GOODWIN
neil@sundaysport.co.uk

But according to the mole they HAVE been preserved in archives.

Claiming to be a former employer, the man wrote: "On a visit to someone who used to work in BBC VT, I was shown a compilation recorded off air that included a nip slip of Emma Chambers in red basque from *How Do You Want Me*, removed from the DVD release.

HOARD: Secret tapes

"Also a topless *Poldark* actress Angharad Rees stripping off her top in a changing room.

"And a big cleavage Anne Diamond nip slip at a film premiere. Despite years of searching for them since, I have failed to find them."

The BBC declined to comment on our story.

INDIAN FAKEAWAY

CRAFTY Anil Pandey, 34, faked his own kidnap and demanded a £2,000 ransom from his missus – so he could afford to visit HOOKERS in Mumbai, India.

BRITAIN'S GRUMPIEST COLUMNIST

Les Miserable

UKIP won its second by-election last week, and now has two MPs sitting in the House of Commons.

Yeah, but look at the fking state of the pair of them. They're just the absolute runts of the litter – a pair of quacking wankers pulled from the bottom of the Tory pile.**

Never mind having them as my MP, I wouldn't trust either of them to be able to dress themselves without starting a fire.

They look like the sort of blokes who go to My Little Pony conventions and wear nappies when they're at home on their own.

I'M A Celebrity... Get Me Out Of Here! is back on our screens, with a fresh rabble of half-famous clowns living in the middle of nowhere for three weeks.

I'd rather spend three weeks watching the four alcoholic tramps that have made a camp in the woods behind my local shops.

The police turn a blind eye to them as long as they do their shopping trolley races after 6pm and only wave their cocks at people after 10pm.

Give me that over Michael f**king Buerk any day of the week.

THE makers of Peppa Pig reckon they'll make a billion dollars from selling the show and flogging merchandise over the next year.

The fking bastards. I'm still in a legal dispute with them over the idea for the cartoon, and I reckon that a load of that money rightly belongs to me.**

They clearly nicked the Peppa character from Porky McCockface, a pig detective with a dick for a nose that I drew while I was on remand back in 1995.

Don't know how they got to see it, but it's very similar to Peppa.

See you in court.

MYLEENE Klass taught Ed Miliband a lesson or two when she took him to task over Labour's mansion tax on ITV last week.

All the rubber-faced bellend could do was sit there and gawp at her while she set him straight.

He was probably shocked that he was getting to sit next to an actual hot-as-f**k woman for a change instead of his female Labour MPs.

Dunno about Ed, but I rewound and rewatched it a few times while I monked one out.

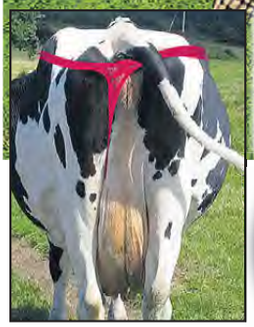
Mmm.

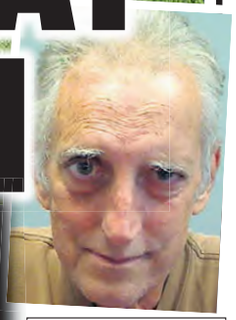
AFTER HOMOSEXUAL BOVINE IS RESCUED BY TV TYCOON, ONE MAN'S CONTROVERSIAL CLAIM

CURED BEEF: How Watson's weird bovine bongo might look

Sunday Sport EXCLUSIVE

I CURE GAY BULLS WITH COW PORN





UDDERLY ODD: Cattle 'expert' Fred Watson

By BARNEY SAMUELS
news@sundaysport.co.uk

A CONTROVERSIAL cattle expert has caused fury by claiming he can "cure" gay bulls by showing them COW PORN!

Eccentric Fred Watson spoke out after reading about Benjy – an Irish bull who was destined for the abbatoir as he refused to mount females, preferring to bum other daddy cattle.

HORN: Benjy likes bonking bulls more than heifers

Unnatural

Benjy, from County Mayo, was saved by donations, including £5,000 from Sam Simon, co-creator of hit TV show *The Simpsons*.

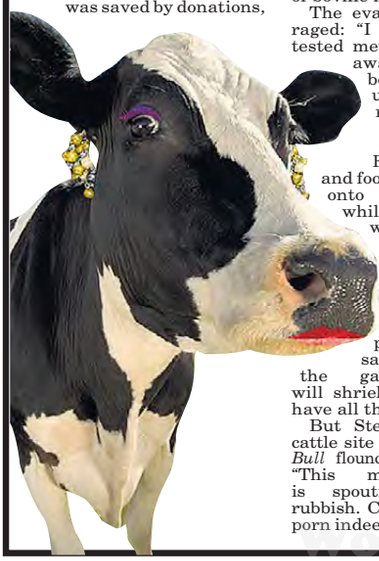
But Fred says Benjy's case is a "worrying sign of the spread of bovine homosexuality."

The evangelical Christian raged: "I have a tried and tested method to turn bulls away from unnatural bovine copulation. I use visual stimuli to re-ignite the bull's natural, God-given desire for cows."

Fred projects images and footage of sexy heifers onto cattle shed walls while bulls are forced to watch.

Fred, who is banned from the US and several European countries on account of animal porn convictions, said: "No doubt the gay rights mob will shriek and howl, but I have all the evidence I need."

But Steve Harris of gay cattle site *No Bull* flounced: "This man is spouting rubbish. Cow porn indeed!"



HI THERE, BIG BOY! Cow porn is now a thing

GYM KEEPS LAURA LOOKIN' COOL!

SUMMER may be long gone but topless Laura Hollyman is still SIZZLING!

The Birmingham babe, 22, enjoyed fun in the sun for her first EVER *Sunday Sport* shoot!

The sexy brunette showed off her red-hot curves poolside while seductively sucking on an ice-cold lolly.

Sweaty

And she also revealed the secret behind her flawless bikini body – hours of sweaty workout sessions toning her curves in the gym!

She said: "I'm really into fitness at the moment, but you've got to be willing to work hard to see positive results.

"I'm not just a glamour girl – I also do fitness modelling too.

"I recently did a photo shoot wearing lots of sexy sports bras and gym clothes for women.

"I even think it's OK for guys to take girls on dates to the gym!"

GRANNIES LUV IT WHEN U SEND THEM DIRTY TEXTS!

HERE'S a treat for all you fans of older women! Just send one text and we'll put you in touch with a grey-haired hottie! Ask her anything you like...explore your passions, desires and fantasies... you're both adults after all!

They f***ing LUV IT and you will too! Just text **luvit** to **89248** and we'll put you in touch.

If you'd like to sext a lady from your own area just leave a space and then add your postcode after the trigger word. It's dead easy...give it a go and you'll soon be losing your mess over a grateful old girl!

We've been offering this service for over ten years so we know exactly what you want:

1. You want the hottest ladies. We're very thorough in our selection process to ensure that there are no time-wasters.

2. You want local ladies. Unlike some services we have women from all over the UK so there's sure to be one from near you.

3. You don't want to be ripped off. It's straight to the good stuff with our girl. They will only answer your text if they are in the mood, too and will keep on texting you till you are full spent!

If you are new to text sex then this is the perfect service for you. Let one of our experienced older ladies take you in hand and make sure you have the perfect first time. After that we know you'll be coming back for more!

Text a 45 to 73 year-old woman & you can tell her EXACTLY what you'd do with her!

STUDENTS TALK SEX!

BOOZING, bonking and bunking off lectures – that's the life of a student.

This week we headed to The University of Liverpool and chatted with Sam and Kay.

If you want to learn about willies that look like small sausages, bonking in pools or in cupboards, then read on.

Students Talk Sex...It's the rudest column you'll read!

SAM DANES
AGE: 21
FROM: Manchester
STUDYING: History
FAVE FOOD: Chicken kebab
FAVE DRINK: White wine
FAVE FILM: *Inception*
FAVE ACTOR: Leonardo DiCaprio

KAY SMITH
AGE: 21
FROM: Wigan
STUDYING: Linguistics and French
FAVE FOOD: Toad in the Hole
FAVE DRINK: Red wine
FAVE FILM: *The Hunger Games*
FAVE ACTOR: Liam Hemsworth

FAVE SEX POSITION

SAM: What's you favourite sex position?
KAY: I like to be dominated a bit, on my back with my legs in the air. You can see his face how he is shagging you. What about you?
SAM: I like spooning. It can be hard but tender. It's intimate but you still feel like you're being taken.

ONE-NIGHTERS

SAM: Ever had a one nighter?
KAY: Yes, a few, but normally with a one-night stand you are drunk, and it isn't very good.

There was one time I went to this guy's house and when he took off his pants his willy was really fat and small like a sausage – a bit like a chipolata only fatter.

I went through with it but I was out of there as soon as he was finished. It wasn't good.
SAM: I had one. I was drunk and it was all right – a bit disappointing but OK. It meant nothing. I was in a nightclub and had drunk so much I was sick but I still hoped it would be good.

THE BADDEST BONK

SAM: What's your worst ever shag?
KAY: I was really drunk this one time in a nightclub when I started having sex with this guy and this girl.

I was so out of it but we were in this little corner, a sort of chill-out zone and we were just going at it.

There were so many people around and they were all watching. The next day I was so upset. What about you?
SAM: There was one guy who had such a small penis. It was really, *really* small. I decided to have sex with him and get it over with. The problem was I started pretending to cum but he hadn't even put it in at the time.

That was bad. Even when he did manage to get it in it didn't make much difference.

KAY: Well, apart from that awful threesome in the club I have to say I have kissed a girl before.

I was a bit drunk but I didn't realise I wasn't kissing a guy. She looked just like a boy, she was quite masculine! What about you?
SAM: Well, I think curvy girls are a lot more attractive than stick thin ones, but I haven't, to be honest – I prefer guys.

YES BUTT...OR NO BUTT?

SAM: What about anal?
KAY: No, I've never done it. I don't think I would. What about you?
SAM: No, that's an exit only hole.
KAY: A friend of a friend told me she had a friend who did it all the time and couldn't stop pooing!
SAM: That can't be true!

BIG BOYS' BITS

KAY: What's the biggest willy you've ever seen?
SAM: Nine-and-a-half inches. He was a boyfriend and a rugby player as well. He was from New Zealand and massive in more ways than one.
KAY: I had a nine-incher once too. It's true that sometimes smaller guys try harder but...
SAM: Size matters.

> 'It made no difference when he did get it in!'

LOVIN' WOMEN

SAM: Have you ever fantasised about a woman?
KAY: Yes. Myleene Klass!
SAM: Why?
KAY: Because she's got great boobs.
SAM: I think Kim Kardashian is hot – she has such a gorgeous body.

You ever had a lesbian experience?

KAY: Of course it does.

BEST SHAG EVER

SAM: What's the most exciting shag you've ever had?
KAY: It was in a cupboard in a hotel room with two other people asleep in the other room. I was on a trip to New York for my university course and it was four to a bedroom. They had this walk-in cupboard, so me and the guy waited till the other two were asleep and crept into the cupboard and did it in there.

We had to keep the noise down and it was frantic but very good and very naughty. What about you?
SAM: I suppose it would be in a public swimming pool. I was 17 and he sort of slipped it in after we got a bit heated.

There were a lot of lads about and I'm sure some were diving to have a look, but no-one said anything.

FANTASY SEX

KAY: Have you ever lived out a sex fantasy?
SAM: I have, actually. I did it in my garden while my parents were inside the house. We were behind the shed. The ladders inside started banging.

Then there was the time I went to meet my boyfriend. I got on the train wearing a big coat and just some knickers underneath. He picked me up and when we drove away I showed him I was naked. He went mental! He was a very happy boy. What about you?
KAY: I haven't been able to have my real fantasy yet. Basically I want to be in distress and have about 10 firemen rescue me and then ravish me.
SAM: That might be hard to accomplish.
KAY: Yeah I know. I think it started when one of my neighbours had a fire.

I was out on a street and suddenly the engine pulled up and these huge men got out and ran down the street towards me. I was scared but excited in a way I didn't really understand.

Obviously they ran past me to fight the fire but ever since then...

SPIT OR SWALLOW

KAY: Spit or swallow – out with it!
SAM: Swallow. I don't think there's a way you can spit and not be rude. It feels really dirty, too.
KAY: Yes I agree, it has to be swallow and it's nice for the guy.

SEXY Eva Lovia has stripped off for the first time – and admits she is obsessed with *Fifty Shades of Grey!*

The brunette has only just read the x-rated novel and says she can't believe what she's been missing.

The Southport stunna stripped down to a skimpy bikini which showed off her cracking 32D assets and

FIRST TIME TOPLESS... EVA LOVIA

By ALICE WALKER
alice@sundaysport.co.uk

lifted the lid on her secret bondage love.

Saucy Eva said: "I know I'm very late to the party but I've realised what my life has been missing and that is Christian Grey!"

And now she is on the hunt for a fella who can fulfil her sauciest fantasies.

Eva, 21, admits she has never met a man who can live up to the book's sexy bondage-loving businessman and whip her into a frenzy like he does to Anastasia Steele.

She added: "Reading Fifty Shades might actually be a very bad idea as my personal life is nothing like lucky Ana's.

"All I want is a man who will give me a good spanking!"

Form an orderly queue fellas.

AVA'S A SUCKER FOR BJs!

By JOSEPH SCRIMSHIRE
joseph@sundaysport.co.uk

ADVENTUROUS Ava Dalush will give you the best BLOWJOB of your life!

The sultry glamour babe, 25, recently revealed the secret behind her mind-blowing oral sex skills.

Because the busty beauty – a proud 32D – reckons that DEEP THROAT is the trick to keeping any bloke satisfied in the bedroom!

Ava, from Camden, north London, said: "I can honestly say that I love giving blowjobs. I have no gag reflex so I can take it really deep!

"I have been told I'm really good at them too, because I like mixing it up when I do it. I'll go hard and fast for a bit, then take it in my mouth up and down, slowly and softly.

"One thing that you can't ever forget is the balls. You need to pay attention to them too.

"I'll cup them while I'm going down on a guy and also lick and play with them. It drives men wild!"

Welcome to the world famous Sport Agony page! No other newspaper's agony aunts can offer the level of advice or experience than our own Agony Angels! This week Jaymie Feather has been reading your letters. Here's her advice...

Dear Jaymie,

I RECENTLY got back from a six-month holiday touring the world and I'd really been looking forward to seeing my hot blonde girlfriend again.

But when we got together it was clear that something wasn't as it used to be.

Then I got a surprise when my younger brother called to her place for a brew.

I didn't think he even knew where she lived but he seemed very sure of himself around her house.

Then I caught them at it when I got back from the shops one day. I was walking past the kitchen window to the back door as I spotted them.

She was bent over the ironing board as he was shafting her from behind and I could hardly believe my eyes as I watched him sliding in and out of her snatch.

Then she turned round before sinking to her knees and taking his cock in her mouth.

She sucked on him greedily, taking his full length deep in to her throat and then she got down on all fours so he could give it to her doggy-style.

I was amazed when she yelled in ecstasy as she climaxed and my brother shot his hot spunk over her arse-cheeks.

I gave them a few minutes to get dressed before walking in, but I didn't reveal that I had seen them.

They pretended that nothing had gone on and I felt insulted that two people so close could be so f**king mean to me.

What can I do to try and resolve this?

FP, Suffolk

Jaymie says...

NOT an awful lot. Your brother and your girlfriend obviously have much stronger feelings for each other than for you. My best advice to you is let her go.

Wife cheated with pal – just for a bet

Dear Jaymie,

Letter of the day

I'VE been happily married for five years to a gorgeous blonde with a top figure.

Recently, I started meeting some old school pals for a drink once a week but my wife was very reluctant to come along.

She eventually agreed – so in order to "show her off" to my old classmates I got her to wear a short skirt and stockings.

My friends were agog when she walked in to the pub and I could see the lust in their eyes as they ogled her.

While she was at the loo, one pal said he fancied screwing her but I told him there was no chance as she would never be unfaithful to me.

But he bet me £50 that he could get into her pants – which I agreed to take him up on, just for a laugh.

The next week, I took her to the same pub to meet up with the same group of school mates.

But after a while I told her I was feeling unwell and had to go back home.

I said she was welcome to stay on and my pal would bring her home in his car later.

I'd arranged with him that on the way home, he would try to get her back to his.

And if she wasn't home by 12.30am, I would go round to see what they were up to.

So later, when she didn't come back to ours, I drove over to his place and spotted the light was on in the lounge and there was a crack in the curtains.

I peered through and was shocked to see my missus kneeling on the rug gorging herself on my mate's dick.

Then he pulled down her panties and spread-eagled her over the settee and began thrusting his seven-incher deep into her sopping quim.

I watched them for a half-hour or so and she had orgasm after orgasm.

I slipped away and waited at home for her to get back and she turned up at about 4.30am, but by then I had fallen asleep.

The next day she told me she had arranged to go out with a girlfriend next week. But I feel sure she's fixed up another date with my pal. What can I do?

SK, Staffs

Jaymie says...

TELL her what you saw – and own up about the bet. You might still save your marriage.

Dear Jaymie,

I'VE been wanking regularly since the age of 14, and I'm now 22.

Every time I see a photo of a topless babe or a nice girl in a club I can't help myself and have to nip off to the bogs for a quick tug.

But the thing is, I'm still a virgin and have never shagged a woman in my life.

All I've managed is a quick snog and a bit of a fumble.

Do you think I should seek professional help or will I just grow out of it?

MW, Teesside

Jaymie says...

WELL, you clearly haven't grown out of it after eight years, have you? My advice is that you probably could use some help – although masturbating certainly won't harm you in any way.

Dear Jaymie,

A FEW weeks ago I caught my wife with the neighbour.

He's 50 and we are both 25.

I heard them chatting in the garden one day and he said he'd come round and "trim her bush".

She found this hilarious, so I suspected she fancied him.

I told her I was going golfing but returned within an hour and heard them at it upstairs.

And she shouted out his name in the throes of passion.

I think she's going to shag him again on Friday, because she's booked a day off work.

But I'm looking forward to listening to them at it again.

Do you think I'm weird?

FD, Derbyshire

Jaymie says...

MAYBE not weird, but certainly a bit odd. Don't you enjoy making love with your wife yourself?

IN places like Finland and Botswana, where business gurus experimented with outlandish techniques, sex in the office is quite common.

The Dutch management consultant Anders Van Modig got the idea when he found his stern-faced wife sucking off an employee.

But to be fair, have you seen the gross domestic product of Finland and Botswana? It's rubbish.

Pervert's sex attack on dog with egg whisk

CANINE CRIME: Foran bothered the poor pooch

By BRAD CHADWICK news@sundaysport.co.uk

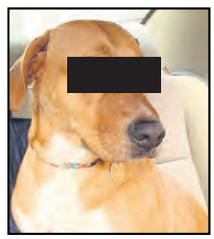
A CONVICTED pervert has been arrested after he sexually violated a dog with an EGG WHISK!

Depraved James Michael Foran, 47, is charged with crimes against nature.

The twisted monster had been employed as an odd-job man by John Shull, owner of six-year-old Labrador cross Addie.

When Addie fell ill and began acting strangely, Shull took the animal to the vet.

Shull explained: "The vet said, 'John, I've never seen this before, but your dog had seen sexually assaulted'. I asked if an animal could have done it, he said no."



Foran was snared using DNA evidence in Bristol, Virginia.

Shull added: "It was the worst thing I've ever seen.

"I kind of take blame for the whole incident — if I had never let him in my house, it never would have happened.

"We had no idea he was sex offender."

LILLO'S RINGPIECE

STEVE LILLIS' KNOCKOUT BOXING COLUMN

Gambling, drinking... without boxing I'd be lost

READY TO LET RIP: Billy Joe Saunders says he'll tear Chris Eubank Jr apart

BILLY JOE SAUNDERS reckons boxing has saved him from a life of BOOZE and GAMBLING.

Saunders, 25, even admitted he was tempted to become a BANK ROBBER when he had hand problems that threatened his career.

Now fully recovered, he'll earn a big bag of loot on Saturday when he risks his British, Commonwealth and European middleweight titles against Chris Eubank Jr at London's ExCel.

Keeping on the right side of the law has put him on the brink of a world title showdown – if he can beat fellow unbeaten boxer Eubank in what will be a magnificent match.

The Hatfield traveller broke his hand in his sixth fight and had trouble again in 2010 when he became depressed and ballooned to 14 stone.

Danger

Earlier this year had to repair ripped tendons and was introduced to surgeon Mike Hayton, who has worked with several boxers.

And southpaw Saunders credits Hayton with saving his career.

He told *Lillo's Ringpiece*: "When I had hand problems I couldn't get in the ring to get the experience I needed. That put me in a dark place.

"I would think, 'What's the point of running when my hand is broken? I can't even punch a bag'.

"I would just go out with my mates all the time. I'd go to casinos to gamble and drink, stuff like that.

"It's a bit of a cliche, but boxing has kept me on the straight and narrow.

FIGHTING KEEPS ME ON STRAIGHT AND NARROW, SAYS SAUNDERS

Without it, I'm lost. When I'm not boxing or around boxing people, I can get into trouble very, very easily.

"If it wasn't for boxing I'd probably be a bank robber or something, because that would be the only good money I could get."

Saunders has won all 20 fights as a pro, while Eubank has a 100 per cent record in 18 contests but hasn't mixed at the same level as the 2008 Olympian.

Picking a winner is impossible. If the Brighton man is as good as many believe, Billy Joe faces a long night and his record is in serious danger.

The Eubank clan's wacko behaviour has wound up Saunders, who must keep his emotions in check with a 20,000 crowd expected for the "Bad Blood" bill which also features Dereck Chisora v Tyson Fury.

Saunders added: "He knows he's in there to get beat. He's just coming for a good pay day. That's the bottom line.

"I could beat him seven days a week and twice on Sunday."

SYKES NEARLY LOST ARM

GARY SYKES will defend his British super-featherweight title next weekend, just months after almost being forced to have his right arm AMPUTATED.

The Dewsbury man broke a bone in the middle finger of his right hand in May's title triumph against John Kays.

After the pins were removed, it became infected and Sykes *(pictured)* lost part of the finger after being rushed into hospital. Sykes, who faces Commonwealth champion Liam Walsh at London's ExCel on Saturday, said: "The doctor told me if I'd left getting it sorted for much longer, I might have lost my arm.

"I was on my way to the hospital and joked with my girlfriend that I was having my arm chopped off – then I nearly did!

"The pain was excruciating, but I managed to get back into full training. Now I can't wait to box on the big bill against Liam."

MILESTONE: Stenson

Henrik out to punish Rory's slip

GOLF

DEFENDING champion Henrik Stenson remained on course to achieve a personal milestone worth more than £1.3million as Rory McIlroy suffered a nightmare two-hole spell at the World Tour Championship in Dubai.

Stenson has never successfully defended a title in his career but goes into the final round at Jumeirah Golf Estates today tied for the lead on 14 under par with Spain's Rafael Cabrera-Bello.

World No.1 McIlroy had caught Stenson at the top of the leaderboard when he carded his fourth birdie of the day on the 10th, only to run up back-to-back double bogeys.

The four-time major winner repaired some of the damage with birdies on the 14th and 18th to card a 70 and finish with Victor Dubuisson, Tyrrell Hatton and Thorbjorn Olesen on 10 under, one behind former US Open champion Justin Rose.

Stenson said: "It would be great to win. It's a great championship and it would mean a lot to defend a title and get the win."

Some Finn's changed with Steven

CRICKET

ENGLAND'S tour of Sri Lanka is Steven Finn's chance to prove how far he has come in the 10 months since he was deemed "unselectable" in Australia.

A blip, apparently the result of his costly habit of knocking over the stumps with his knee in delivery, was verging on a crisis – of form and confidence.

Only after six months with Middlesex did he again take the field for his country, in three ODIs against India at the end of last summer.

And Finn's figures of 2-43 in Friday's victory over Sri Lanka A were encouraging.

"'Unselectable' is a harsh way to put it – harsh and frank," he said. "But it spurred me on to become 'selectable' again."

His focus is on today's second warm-up match before the first of seven ODIs on Wednesday.

He said: "I was a bit rusty on Friday. I hope I'll be improved tomorrow."

DOG LEADS BY MICK LIVESEY

Leamaneigh to hit Turbo

HENLOW takes centre stage tonight with the semi-finals of the Kab Maiden Derby, it's live and free on RPGTV, Sky channel 212.

My followers last week where in great spirits after we landed a brilliant TV treble at Henlow and I don't know about you but I'm hungry to take more money off the bookmakers.

KAB MAIDEN DERBY £2,500

Roxholme Kid made some impression on me last week and he can follow that up tonight from a more difficult draw further from the fence.

He can boast a 28.40 around Shelbourne Park and you get the feeling now with Hayley Keightley there is much more to come in the coming weeks and months.

Roxholme Kid was not the only greyhound to make me sit up and take notice last week, I was impressed by Jolly Rinzor.

I expect Kevin Hutton's charge to take his semi-final and set up a mouthwatering clash in the final against Roxholme Kid.

HAYLEY KEIGHTLEY ON ROXHOLME KID

'Roxholme Kid was a present from our good friend Larry Dunne and we was absolutely delighted with his debut for us.

He is a better greyhound from trap one or two but we've ended up in trap-four and must just make the most of it.

If he comes away I'd expect him to win but he stays strong, in fact the 460m would be on the short-side for him and all being well we may take him to Hove for the Olympic but he can win the Maiden Derby'.

SUPPORTING CARD

My nap of the night goes to Leamaneigh Turbo. Regular readers will remember I landed a superb ten winning naps in a row and it was Turbo who brought my winning run to an end a couple of weeks back.

I believe in this dog though and his loss was a real surprise to me, I've not lost my faith in him. He will be away and gone tonight and get back to winning ways.

In the 550m Maiden I'm going with Toosey Fern for champion trainer Mark Wallis. Fern was brilliant on Sky Sports winning a £2,000 competition at Nottingham.

That form is head and shoulders above anything her rivals have shown and easily good enough to take a Maiden.

HENLOW TV BEST BETS

NAP - T6 Leamaneigh Turbo 19.45
DOUBLE - T5 Jolly Rinzor 20.45
TREBLE - T6 Toosey Fern 20.00
YANKEE - T4 Roxholme Kid 20.15 & 5/2 to win competition

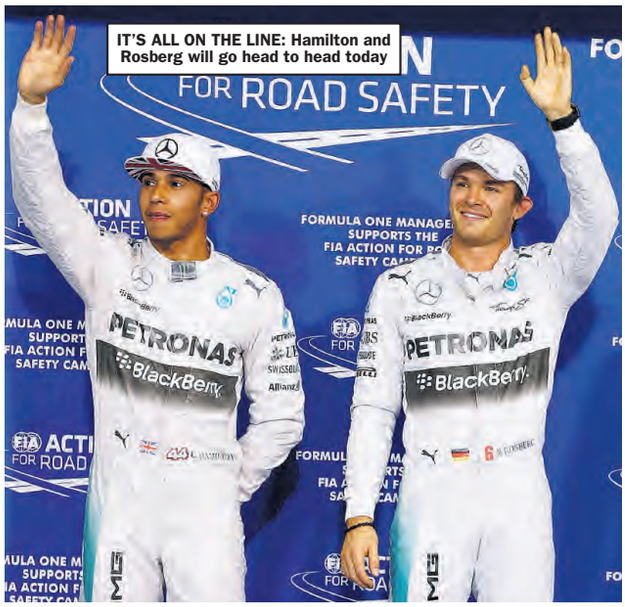
F1 CLIMAX – IT'S THE BIG ONE!



IT'S ALL ON THE LINE: Hamilton and Rosberg will go head to head today

Lew's got title in his sights as Ros takes pole

HAMILTON SECOND FOR ABU DHABI CRUNCH

ABU DHABI GRAND PRIX

Today, 5pm – Live on BBC1

LEWIS HAMILTON will have Nico Rosberg in his sights as he looks to clinch his second world title in Abu Dhabi today.

The Brit – who leads his Mercedes team-mate in the drivers' battle by 17 points heading into the final grands prix – saw German Rosberg take pole at the Yas Marina circuit for the 11th time this season.

Hamilton was quickest in the first and second sessions, but it was Rosberg who pulled out the vital lap when it mattered most in the top-10 shoot-out with a time of one minute 40.480secs – four 10ths of a second faster than the Briton.

Heading into qualifying the Mercedes duo had found themselves head and shoulders above their rivals, but come the one-lap clash they came under pressure from Williams.

In Q2, Valtteri Bottas and Felipe Massa were sandwiched by the duo, with Hamilton out in front and Rosberg down in fourth.

Threat

Rosberg needs a helping hand from either man in the race as he can take the title with a win, providing Hamilton is third or worse.

But the Williams pair could only manage third and fourth on the grid, with the Finn just under two 10ths of a second behind Hamilton and less than a 10th ahead of Massa.

It means there may yet be a twist in the tail in this season-long battle between the Mercedes pair, with Hamilton's cushion under threat with double points controversially on offer.

Rosberg said: "It was a great day again – it all worked out well. I put a good lap together in the end, but it's only one very small step. It's about the championship, not about the pole.

ILLEGAL: Vettel will start from the back

"I was hoping for a Williams to be between us, it didn't happen, but hopefully that can be the case tomorrow.

"My mindset now is I need to get the job done, to continue with the form I showed at the last race in Brazil. In any case I'm sure it will be a great race."

Hamilton felt he "generally didn't have the best of laps," but added: "It was still a really good qualifying, I really enjoyed it. But, as Nico said, tomorrow is the special day."

Daniel Ricciardo and Sebastian Vettel were disqualified from the qualifying after their cars were declared illegal.

The Red Bull drivers had originally qualified fifth and sixth.

But technical delegate Jo Bauer initially referred the matter to the stewards after discovering the "front wing flaps were designed to flex under aerodynamic load", which is against the regulations.

I'M A BETTER BOSS

MAURICIO POCHETTINO reckons he has improved as a boss – even if Tottenham haven't on the pitch.

Mo Po *(left)* was such a big hit at Southampton that Spurs gave him a huge pay rise to tempt him to White Hart Lane.

But Spurs kick off at Hull languishing in mid-table, miles away from the top-four slot the Argentinian was hired to secure.

Hull v Tottenham

Sunday, 4pm – Sky Sports 1

Pochettino insisted, however, that he was getting better at his job.

He said: "I have improved as a manager and as a person.

"You know you need to cross your limit and you need to work hard, but all managers have difficulties in their careers.

"For me it is my passion, but it is a job too. I never switch off – this is my problem."

Poch was keen to point out that he is NOT the manager of Spurs, merely the head coach.

And as a result, no

BIG PREM ACTION

BARCLAYS PREMIER LEAGUE

OUT PALACE HANGOVER

Palace v Liverpool

Sun, 1.30pm – Sky Sports 1

BRENDAN RODGERS insists Liverpool will NOT have a psychological hangover from last season's collapse at Palace.

And the Reds boss believes his side can reignite their Premier League campaign at Selhurst Park today.

Liverpool let slip a 3-0 lead to draw 3-3 with Palace in early May – a result which effectively ended their hopes of winning the title.

Players and fans were distraught at the final whistle as the reality that their wait for the league title would stretch beyond 24 years kicked in.

But rather than dwell on that failure, Rodgers has urged his troops to seize the chance to turn around a mixed start to this season.

OPTIMISTIC: Neil Warnock

Terrific

"For me it wasn't the game that cost us, but it summed up the disappointment," said Rodgers.

"We played well to get 3-0 up and ended up drawing the game – but it wasn't the game that cost us the title.

"We have some good players and it's a terrific ground to kick-start our season. That's our main focus.

"Adverse moments always provide you with the opportunity to go and fight even harder.

"That's something we all aim to do here, from the staff to the players. The club is very much together."

Liverpool will check on the fitness of midfielder Jordan Henderson and striker Mario Balotelli.

But the Reds will be without forward Daniel Sturridge after he broke down in training with a thigh injury which rules him out until January.

Palace manager Neil Warnock admits it will take a "super-human" effort to beat the drop this season.

But he reckons his team are still in better shape than when Tony Pulis took over a year ago today.

The Eagles have picked up just a single point from their last five matches.

Warnock said: "The lads, when Tony took over, were probably in a similar situation, even worse than they are this year, and they know what it will take.

"It's going to take a super-human effort again and there are going to be highs and lows.

"But we believe we're good enough to do that.

"Between now and January, eight games, is probably going to be our most difficult period, because we can't bring anybody in.

"So we've just got to get on with it."

Koeman feels he's had a lucky break

A Villa v Soton

Monday, 8pm – Sky Sports 1

RONALD KOEMAN reckons Southampton will feel the benefit of the international break.

A trio of Saints stars returned to the club after landmark displays for their countries.

Nathaniel Clyne was hailed as the answer to England's right-back problem after starring against Scotland, while keeper Fraser Forster also made the most of his return to Celtic Park.

And skipper Jose Fonte made his first appearance for Portugal.

Koeman said: "Most of them are very happy about the performances and the results.

"It gives the players the confidence and it gives a good challenge what they have had with the national team.

"It is a positive for the club."

Villa boss Paul Lambert has hailed Forster for kicking on.

The England keeper played for Lambert while at Norwich and now faces his old boss.

And Lambert recalled: "I remember a bad kick against Leeds when it was 1-1. It went to Jermaine Beckford and he scored.

"He still makes excellent saves, but his kicking has improved."

NOW, CLAIMS POCH

blame for any duff transfers can be laid at his door.

He said: "If you are a head coach your responsibility is to play better, to try to improve the players and try to get a positive result.

"At Southampton I was a manager. Here I am a head coach. I am head of my department."

Hull boss Steve Bruce says the vultures are already circling to snatch hot prospect Andrew Robertson.

The 20-year-old full-back *(right)* will make only his 10th appearance for the Tigers today, but he has already caught the eye since his £2.85million move from Dundee United in the summer.

Arsenal and Newcastle have been linked with a £10m move for Robertson.

And Bruce admitted: "There's been one or two phone calls asking 'to keep me informed'.

"That's always the first stage. I had it with Wilson Palacios when I was at Wigan and Antonio Valencia when he went off to Man United.

"If this kid keeps performing, it might become inevitable."

WHAT's the difference between Wigan Athletic and my oven?

My oven is fan assisted.

Disgraced ex-Cardiff boss Malky Mackay is said to be delighted at being given the Wigan manager's job.

Apparently he was chuffed as he was sure some f**king foreigner was going to come and steal it.

Malky's arrival was backed by doddery chairman Dave Whelan.

Let's just say Whelan's defence was as dodgy as his relegation-threatened team's this season.

He basically defended Malky's racist texts by saying it's alright to be racist – and then insulted Chinese and Jews.

At least he'll be first in the queue for a role if a TV channel ever brings back Alf Garnett. PM David Cameron has been urged to give back a £1.5million donation Whelan made to the Tory party.

LOON: Dave Whelan

And if the spineless hypocrite PM does that, I'm sure it will be great news for the racists over at UKIP, who will gladly pocket the cash.

All in all, it hasn't been a good week for Wigan.

Although one of their former players has been lighting up the screen in the jungle. Jimmy Bullard has been the highlight of *I'm A Celeb* so far.

Apparently he said he's never experienced so many sweaty, unwashed people living in such squalid conditions.

Well, not since he played for Wigan.

Roly-poly annoyance Gemma Collins left the jungle in a blaze of tears.

She's admitted the jungle wasn't for her, especially after finding out "bush tucker" wasn't the name of the camp tuck shop.

My dosh is on Jimmy to be crowned King of the Jungle.

Is Dave Whelan just the victim of a media witch hunt?

CHUCKLE BROTHERS: Dave Whelan and new Wigan boss Malky Mackay

I'M not sure it's particularly fair that Wigan owner Dave Whelan is suddenly being portrayed as some sort of Lancastrian Alf Garnett.

He's certainly been naive. First with actually appointing Malky Mackay, and then digging himself deeper with his latest comments.

I'm all for cleaning up the game, but there's a fine line between reporting the facts and a witch hunt. Of course, Whelan is only too happy to court the media attention when things are going well down at Wigan.

But it's still uncomfortable listening to someone who is clearly not very adept at speaking to the media about sensitive subjects being so blatantly baited.

From a football perspective, does he honestly believe Mackay will be able to focus on getting Wigan up the table with so much baggage and an ongoing FA investigation hanging over his head?

WHAT a thoroughly enjoyable game of old school blood-and-thunder football the England v Scotland match was last week.

It had everything that other namby-pamby internationals have lacked for years – passion, guts, fearless tackling and not a dive in sight.

As I've said many times before, these are the games that will capture the imagination of players and fans alike.

With talk of a FIFA boycott gathering momentum, there's never been a better time to bring back the home internationals as a full-blown tournament.

JUNGLE JIMMY'S ON A ROCKY ROAD!

HE was entertaining on and off the pitch as a player – and Jimmy Bullard hasn't disappointed in the Australian jungle.

The only problem is, every time I see his face on *I'm A Celebrity...*, I keep thinking of Rocky Dennis from the film *Mask*.

Sorry Jim...

JIMMY BULLARD

ROCKY FROM *MASK*

MAYBE KEEP A LIDD ON IT, ROD

I'VE got a lot of time for Rod Liddell, mainly because he's a Millwall supporter, but also because he usually talks a lot of sense.

His point about there being many footballers still plying their trade fresh from prison or with a whole history of misdemeanors behind them is a fair one in the context of the Ched Evans saga.

But that doesn't make it right. The wave of discontent has proved enough to make Sheffield United rethink their position and refuse to allow Evans to train with them.

Perhaps the tide is turning and the Marlon Kings, Lee Hugheses and Luke McCormicks of this world won't find it as simple to slip straight back into the easy life of professional football in the future.

And clubs might think harder about doing the right thing rather than success at all costs.

BAM SLAM FOR MALKY

THUMBS UP: Shaun Maloney's strike for Wigan earns the approval of under-fire chairman Dave Whelan *(inset)*

MALKY MACKAY'S hopes of a winning start on his controversial return to management was spoiled by Middlesbrough super-sub Patrick Bamford.

Mackay has been given a second chance at Wigan after a storm over alleged racist and sexist emails he sent before getting the sack as Cardiff boss last December.

His appointment caused an outcry which has also landed chairman Dave Whelan in potential hot water with the FA over remarks he made in trying to defend his new manager.

But Whelan – who has promised to quit if punished by the FA – was given a standing ovation by the Wigan fans. And they would have been cheering only a second win since August if they had held on after Shaun Maloney's first-half sizzler.

Mackay made four changes to the side that lost 3-1 at Bolton to get Uwe Rosler the sack.

Wigan	1
Middlesbrough	1

Stunning

Chris McCann started his first game since March – and the former Burnley midfielder had a massive early impact, winning two free-kicks for Maloney to take.

The first clipped the top of the bar. But from the second, the Scotland international, whose stunning goal had sunk the Republic of Ireland in their Euro Championship qualifier, curled a beauty into the corner.

Boro almost levelled three minutes before the break when Kike turned and shot just wide.

But they nearly fell further behind when a slack punch by keeper Dimi Konstantopoulos gave Adam Forshaw the chance to volley just wide.

But an inspired substitution from Boro boss Aitor Karanka paid off in the 58th minute.

Karanka introduced on-loan Chelsea striker Bamford, and within two minutes he ran onto a Kike pass to slot home.

Wigan hit back with Leon Barnett volleying against a post before McCann fired over when he could have lifted the Latics out of the drop zone.

Blackpool	1
Bolton	1

LEE CHUNG-YONG fired a brilliant late equaliser to grab a valuable point for Bolton at Bloomfield Road.

Jacob Murphy's stunning free-kick seemed to have sent Blackpool on the way to just their second win of the season before Chung-Yong popped up at the back post to rescue Neil Lennon's team.

In a feisty first half Jacob Mellis hit the crossbar for the Seasiders shortly before Chung-Yong hit the post for Neil Lennon's side.

Quality was thin on the ground until Murphy popped up with his fantastic effort on 75 minutes that left Andy Lonergan no chance.

But there was a sting in the tail seven minutes later when Chung-Yong levelled.

Norwich	3
Brighton	3

SUBSTITUTE Gary Hooper salvaged a point for 10-man Norwich, who had Bradley Johnson sent off late on.

Brighton roared into a 33rd-minute lead when full-back Bruno Saltor nodded in an Adrian Colunga cross.

Jonny Howson levelled with a smart header from a clever Nathan Redmond cross four minutes later.

Canaries skipper Russell Martin smashed in a 30-yard cracker three minutes after the break.

Kazenga Lua Lua equalised on 66 minutes before Colunga banged in a penalty after Jos Hooiveld tripped Sam Baldock.

But Hooper levelled five minutes from time.

Rotherham	0
Birmingham	1

CLAYTON DONALDSON'S winner was a real bummer for Rotherham.

The Birmingham striker was left on his backside after powering in a 62nd-minute shot that was pushed out by keeper Adam Collin.

But Donaldson reacted quickest as he jumped to his feet to drive in the rebound and seal a win that lifted Blues above Rotherham and out of the relegation zone.

New Birmingham boss Gary Rowett remains unbeaten after four games in charge.

Blues had failed to score in five of their previous six games, but Andrew Shinnie and David Cotterill hit the post before Donaldson's decider.

Bry 'n mighty winner

CRAIG BRYSON'S late rocket kept Derby at the summit.

Bryson climbed off the bench to fire home a 25-yard stunner.

It looked as though Watford would snatch a point after sub Gianni Munari cancelled out Jordan Ibe's strike – until Bryson *(right)* had the last word.

Derby were dominant in the first half and Jeff Hendrick saw his shot pushed onto the post by Watford keeper Jonathan Bond.

But Troy Deeney sounded a warning when he forced a flying save from Rams keeper Jack Butland in the 25th minute.

The on-loan Rams stopper should have been tested again, but Fernando Forestieri messed up.

That was a rare foray forward for Watford as Chris Martin brought another save out of Bond.

But the England Under-21 keeper had no chance when Ibe curled home a stunning opener on 39 minutes.

Liverpool loanee Ibe's driving run then saw Johnny Russell blaze over.

Martin blew another golden chance and Munrari made Derby pay when he swept home in the 67th minute.

But Bryson was given too much time to net Derby's winner on 81 minutes.

Watford	1
Derby	2

Wolves	0	N Forest	3

NOTTINGHAM FOREST are back on the promotion charge after making it a miserable East Midlands double for Wolves.

Stuart Pearce's side stormed to an emphatic triumph over a sorry Wanderers side still smarting from a five-goal drubbing at Derby.

Matty Fryatt set up strike partner Britt Asombalonga *(below)* for his 11th goal of the season in the 65th minute to reward Forest's dominance.

Then the experienced Fryatt turned goalscorer three minutes later with a glancing header from Henri Lansbury's corner.

Livewire Lansbury then crowned an excellent display by latching on to a poor clearance from the Wolves defence to slam home Forest's third seven minutes from time.

Daryl gets the nod

DARYL MURPHY used his head to snatch a point for Ipswich.

Yann Kermogant gave Bournemouth the lead after two minutes with a candidate for goal of the season.

The giant forward took off and volleyed a Simon Francis cross into the top corner.

Ipswich equalised on 50 minutes when sub Teddy Bishop converted Tyrone Mings' cross.

The Tractor Boys were on level terms for barely four minutes.

Callum Wilson caused havoc in the penalty area before Matt Ritchie struck from 10 yards.

The Cherries should have had a penalty in the 64th minute when sub Tokelo Rantie was dragged to the floor.

To make matters worse, Rantie was stretchered off.

Murphy had the final say when he headed home Paul Anderson's 75th-minute free-kick.

Bournemouth	2
Ipswich	2

Huddersfield	0	Sheff Wed	0

WEDNESDAY are now 11 games without a win – but they felt they were robbed of a clear penalty in this Yorkshire derby stalemate.

A last-ditch clearance from Tom Lees prevented Sean Scannell giving Huddersfield the lead, before Grant Holt headed wide from a deep Harry Bunn cross when he should have done better.

Scannell ran clear and blasted over as the game finally came alive in the final quarter, with Terriers sub Nahki Wells forcing a top save from Keiren Westwood.

Stevie May somehow hit the bar and post from a tight angle for the Owls, before Wells romped clear again but smashed straight at Westwood.

And Wednesday were screaming for a penalty when Chris Maguire *(right)* went down, but the striker was booked for a dive.

Zero to hero Rhodes

JORDAN RHODES went from villain to two-goal hero to end his Ewood Park drought and earn 10-man Rovers a dramatic Roses win.

The striker's poor clearance from a corner gifted Souleymane Doukara the opening goal for Leeds in the 33rd minute.

But Rhodes, who had failed to score in his previous five home outings, made amends in the 71st minute after a comedy collision between keeper Marco Silvestri and defender Liam Cooper left him with an open goal.

And two minutes from time he showed nerves of steel to convert a penalty awarded after Sam Byram tripped substitute and Leeds old boy Luke Varney in box.

By that stage Rovers were down to 10 men after ex-Leeds trainee Tom Cairney was shown a second yellow card in the 82nd minute.

Charlton	0	Millwall	0

CHARLTON are still without a win against Millwall since 1996 after this south London derby bore.

It was a day of mixed emotions for Addicks sub George Tucudean. His wife gave birth earlier in the day before he missed a sitter to win it at the death.

Igor Vetekele missed with a header from six yards out early on – and that was the only chance either side created in a drab opening 45 minutes.

The entertainment improved after the break with Callum Harriott, another Addicks sub, injecting some pace into the game and forcing Lions skipper Alan Dunne into a goal-line clearance.

Then Tucudean *(left)* raced clear in stoppage time and lifted the ball over Lions keeper David Forde, only to slip and allow Dunne and Byron Webster to scramble clear.

Blues are on cruise to title

HIGH FIVE: Gary Cahill congratulates Costa after the striker fired the Blues ahead

MOUR'S MEN BRUSH ASIDE BAGGIES

Chelsea 2
West Brom 0

JOSE MOURINHO insists it is too early to hand the title to Chelsea – but if they carry on like this it will be a case of when, not if, they are parading the trophy.

The Blues are riding high and this hopelessly one-sided win over 10-man West Brom showed just why.

First-half goals from Diego Costa and Eden Hazard killed off the Baggies.

And Claudio Yacob made sure there was no doubt about the outcome when he launched a two-footed lunge on Costa to earn a 29th-minute red card.

The final scoreline could have been anything and Alan Irvine's Albion should just be grateful Mourinho's men did not turn up the heat when they were on the rack.

With their main rivals faltering on an almost weekly basis, Chelsea are head and shoulders above the chasing pack.

Mourinho *(right)* delivered a body-blow to those wanting to see the west London club stumble when he declared there'll be no Chelsea crisis this season.

Never mind a crisis – their title rivals would just like to see a chink in the armour occasionally.

But, ominously, it looks as though the Blues could get even stronger. Mourinho claimed Costa is now free from the niggling injuries that had affected his campaign after sitting out Spain's recent international matches.

And the striker – who had scored 10 goals in nine league games before the break – looked razor-sharp after his rest.

The Spanish hitman was too much for Albion to handle and the way he took Oscar's cross on his chest before volleying home for the 11th-minute opener showed he is on fire.

Drilling

Chelsea could have quickly been out of sight but Albion keeper Ben Foster *(right)* produced a string of superb saves to keep his side in it.

But the shot-stopper was let down by his defence when Hazard was allowed to drift into space and collect Cesc Fabregas's corner before drilling home the 25th-minute second.

Chelsea should have run up a cricket score but they decided to turn the second half into a training exercise, toying with West Brom without really going in for the kill.

YAYA'S TOURE DE FORCE SEES CHAMPS HOME

YAYA TOURE struck City's second – and stuck two fingers up to his critics.

The fallen City superstar *(below)* has had plenty of stick this season for his below-par showings and his recent red card in the costly Champions League loss to CSKA Moscow.

But he was unstoppable after 61 minutes when he took Fernandinho's tricky back-heel in his stride and powered to the corner of the six-yard box before whacking home the winner. That completed the City comeback which also featured a first-half equaliser from Stevan Jovetic.

By IAN WHITTELL

City were rocked after just nine minutes when Wilfried Bony's wonder goal put the Swans in front.

He played a one-two with Nathan Dyer, whose lofted pass was controlled by Bony on his chest before the striker volleyed first time past Joe Hart.

The goal shocked City into life, with the Blues only taking 10 minutes to level.

Jesus Navas was allowed to curl over a right-wing cross and Jovetic was unmarked inside the six-yard box to sweep home.

The pressure to snatch all three points was on City – and felt by the Etihad crowd.

They screamed blue murder when Sergio Aguero went down claiming Kyle Bartley had elbowed him.

There was a rare moment of concern for the champions after the restart when Hart had to race from his line to deny Jefferson Montero.

Navas should have wrapped it up but was denied by Lukasz Fabianski's legs.

And City survived two late scares – first when Bafetimbi Gomis shot wide and then when Jonjo Shelvey's deflected free-kick scraped the post.

Everton 2
West Ham 1

OSMAN IS IN RIGHT PLACE TO HIT HAM

LEON OSMAN marked his 400th Everton game by snatching the winner against Champions League pretenders West Ham at Goodison Park.

The evergreen 33-year-old midfielder *(below)* was in the right place to grab the 55th goal of his career and stretch the Toffees' unbeaten record to seven matches.

The Hammers arrived boasting an unlikely fourth place in the Premier League table. But they badly missed first-choice strikers Enner Valencia and Diafra Sakho.

Everton did concede an equaliser to sub Mauro Zarate after Romelu Lukaku's opener, but Osman's 73rd-minute strike from Samuel Eto'o's pass settled it.

By PETER FERGUSON

West Ham are being hailed for their football this season, but Sam Allardyce sent out a five-man defence for Everton to try to break down.

Liverpool misfit Andy Carroll, jeered on his Merseyside return, was the focus of West Ham's attack.

The scene looked set for a smash-and-grab raid, but it was Everton who were the first to threaten.

Seamus Coleman pulled back a decent ball for Steven Naismith, but the Scot sent his shot sailing over the bar.

Naismith went closer when, from the narrowest of angles, he saw his shot blocked.

But Everton did take the lead two minutes later when the ball fell kindly for Lukaku to fire home.

The Belgian striker blotted his copybook when he ran from an offside position to take the ball off Ross Barkley just as the England man was preparing to shoot.

The game boiled over just before half-time when Coleman left Morgan Amalfitano writhing.

The Hammers levelled when Zarate's shot went on off Phil Jagielka's heel on 55 minutes – but Everton weren't to be denied.

A sting in the Tayl for tearaway Toon

TEARAWAY Toon equalled their best run for two-and-a-half years as Moussa Sissoko's late winner sealed a sixth straight win.

The stand-in skipper dedicated his 78th-minute goal to Ryan Taylor, whose latest injury overshadowed another valuable three points.

Sissoko's well-taken strike proved decisive as the Frenchman took a pass from Sammy Ameobi in the area and curled his effort past Robert Green from 15 yards.

But the Toon joy was tempered by Taylor's first Premier League start for 32 months lasting just over half-an-hour.

The jinxed 30-year-old – who has twice ruptured his cruciate ligament – went to ground without a challenge. And he clearly feared the worst as the tears flowed while he trudged off *(above)*.

Two of Newcastle's clearest early chances fell to the midfielder, Green tipping his 20-yard effort over after Remy Cabella's swift short corner.

Newcastle	1
QPR	0

Nifty

Green had an easier save to make shortly after when, following a swift break by Ayoze Perez and some nifty footwork by Cabella, Taylor shot weakly from the edge of the box.

But Rangers had their chances. Charlie Austin sent a shot across the face of goal and Tim Krul then had to touch over Richard Dunne's header from a Joey Barton corner, the midfielder leading the R's against his old club.

Newcastle reasserted their authority after the break. It took a fine block from Green to deny Perez from 15 yards after Sissoko put him through.

And Sissoko finally ended Rangers' resistance with his second goal of the season, heading to the home dugout to lead the celebrations with his team-mates.

Sub Papiss Cisse saw an injury-time effort cleared off the line as QPR's winless run at St James' Park stretched to 21 years.

BLANKERS PILE HEAT ON NIGE

THE pressure grows on boss Nigel Pearson after Leicester's winless streak stretched to seven games.

Although out of the drop zone, the Foxes are now 500 minutes without a goal after failing to break down stubborn Sunderland.

While not as lacklustre a match as the scoreline might suggest, quality was at a premium as two evenly-matched sides ultimately cancelled each another out.

Two decisions by referee Robert Madley provided the talking points.

First he rejected claims for the home side for a penalty when Riyad Mahrez went to ground early in the second half.

And later he failed to give Sebastian Larsson *(above)* a deserved second yellow card.

Sunderland started sluggishly as the jet-heeled Jamie Vardy almost capitalised on a lapse in concentration from Wes Brown, only for keeper Costel Pantilimon to avert the danger. But Gus Poyet's side slowly found their feet.

Twice Kasper Schmeichel came to Leicester's rescue, foiling Steven Fletcher's shot from inside the box and, even more impressively, showing lightning reflexes to turn away Adam Johnson's dipping shot.

Then came the controversy as a brilliant raking diagonal ball from Leo Ulloa gave Mahrez sight of goal, only for him to be sent tumbling after a tangling of legs with Anthony Reveillere.

Sunderland breathed another sigh of relief when Larsson – already on a caution – escaped despite a cynical bodycheck on Jeff Schlupp as the Ghana international led a counter.

Ings are looking good for Clarets

DEADLY Danny Ings hit two in two minutes to boost Burnley's survival hopes.

The lethal finisher pounced on some sloppy Stoke defending to help the Clarets to their first away win this season.

A stunning defensive rearguard helped them cling on to a potentially vital three points, although they remain in the bottom three.

Ings *(above)* got the opener 12 minutes in when he reacted quickest after Asmir Begovic had foiled Michael Kightly from Ashley Barnes' cross.

And within a minute, Ings – who had netted 26 times to help Burnley reach the top flight last term – had done it again. The striker couldn't miss after Kightly laid it on a plate to him after beating Phil Bardsley.

It was a smash-and-grab raid if ever there was one as Stoke went on to dominate.

Steve Sidwell's volley from a Bojan free-kick went wide before Mark Hughes's side did reduce the arrears on 32 minutes.

Stoke	1

Blazed

Bojan's cross was perfect for Jon Walters to dive and head home, despite the best attempts of Tom Heaton.

Stoke should have scored again before the break with Sidwell heading over from a Victor Moses corner before Heaton did well to keep out a Moses curler.

The Potters continued to dominate in the second half with Mame Biram Diouf heading another brilliant cross by Bojan wide, before Steven Nzonzi than blazed over when well placed from Walters' pullback.

The Potters were well on top and will be kicking themselves as to how they didn't equalise.

But Burnley defended stoutly – and the hosts' day was summed up late on.

Peter Crouch flicked on Bojan's cross and Sidwell went agonisingly close to reaching it before colliding with the post.

FLASHPOINT! Arsenal midfielder Wilshere appears to land a headbutt on Man United star Fellaini

KIERAN GIBBS' comedy own goal and Wayne Rooney's late strike sent Manchester United into the top four of the Premier League.

Dumb and Dumber actors Jim Carrey and Jeff Daniels were present in Arsenal's north London home.

And even they would have laughed at the opening goal as Gibbs deflected Antonio Valencia's 56th-minute strike into his own net.

The hard-fought win was sealed with five minutes remaining when Rooney collected Angel Di Maria's pass to slot home.

Olivier Giroud scored deep in stoppage time for Arsenal, but the victory puts Louis van Gaal's side fourth – 13 points behind leaders Chelsea.

Hobbled

Arsenal should have been out of sight in the first quarter.

Former United striker Danny Welbeck had a sight of goal but was denied by Paddy McNair.

Welbeck then headed over in the ninth minute from a pin-point Alex Oxlade-Chamberlain cross.

Seconds later, Luke Shaw appeared to turn his ankle as he cleared the ball under pressure.

The England left-back hobbled on before he was replaced in the 16th minute by Ashley Young.

By then, United keeper David de Gea had made saves from Jack Wilshere and Welbeck.

The second, to deny Three Lions midfielder Wilshere, came from his own mistake from a poor clearance.

But the Spain keeper made amends with a superb reflex save.

Van Gaal's side finally offered an attacking threat, but Rooney ballooned a free-kick horribly over the top.

There was a flashpoint just before the half-hour when Wilshere was lucky to remain on the pitch for an apparent headbutt on Marouane Fellaini.

Wilshere pushed Fellaini in the back, but was frustrated by Mike Dean's decision to award a free-kick.

The midfield rivals squared up and Wilshere looked to have made contact on the Belgian's chest.

Di Maria curled a shot wide of the far post and Calum Chambers made a superb block to stop Rooney's goalbound effort.

Wilshere departed on 55 minutes with an ankle injury.

Then United took the lead within 60 seconds in comical fashion.

Wojciech Szczesny clattered Gibbs from Young's deep cross, and when Valencia smashed the rebound back into the area, Arsenal's left-back diverted the ball into his own net.

Szczesny was forced off with a blow to his side, with Emiliano Martinez taking over the gloves.

Arsenal then got done on the counter-attack as Di Maria supplied Rooney, who chipped United's second over Martinez.

MOUSSA SISSOKO fired Newcastle up to fifth spot as Alan Pardew's side made it five straight wins in the league.

Toon's captain for the day needed no second invitation 12 minutes from time, spinning on Sammy Ameobi's pass and rifling past QPR keeper Rob Green to give them victory.

But boss Pardew is refusing to get carried away with the inevitable talk of Europe.

He said: "What we have got is a real depth in the squad, which bodes well for the League Cup and bodes well for the Premier League.

"If we were winning 2-0 or 3-0 and we were really punishing teams then I'd be a bit more confident we could make Europe, but I think we are still some way off that yet."

WHELAN IN QUIT THREAT

DAVE WHELAN says he'll RESIGN if the FA find him guilty of racism.

The FA say that their investigation into Whelan's comments about Jewish and Chinese people will be treated "as a priority" and they have written to the 77-year-old to get his take on events.

The Wigan chairman was defending his decision to hire former Cardiff boss Malky Mackay in an interview when he said: "I think Jewish people do chase money more than everybody else."

He also claimed he didn't think the word "chink" was offensive.

He has since apologised, but his comments caused Cardiff owner Vincent Tan to label him a "racist".

Whelan insists he's no such thing – and says if the FA agree with Tan, he'll walk away from Wigan.

"If the FA find me guilty – and I don't see anything like that happening because I'm absolutely anti-racist – should they even suggest I'm guilty, I would immediately resign as chairman of Wigan Athletic," he said.
